

Post Communication Letter (sent via email)

To the parents of (Pack/Troop/Crew #):

On (DATE of EVENT), we held a Family Friends of Scouting presentation at our (TITLE OF EVENT). I want to thank all of those in attendance who made a pledge or contribution to support the Northeast Illinois Council. Your participation ensures that we can keep Scouting strong for more than 4,000 local participants, including those in our (pack/troop/crew).

Some of you were unable to make the presentation or did not turn in your card that night. We need your help!

As I explained in my message sent shortly before the date of the FOS presentation, Family Friends of Scouting dollars go directly toward many unseen but vital expenses incurred by NEIC in the operation of its Scouting programs.

By the way, your donations will not only help deliver Scouting across the NEIC, but they will also help move our (pack/troop/crew) closer to several rewards that we can earn if we meet certain giving thresholds. Our Eagle goal is to raise \$_____ ** (at which point we will get a free pizza party for the (pack/troop/crew)), but at lower levels we can also win free rank advancement patches for a year and a free Local Adventure Day at Camp Crown for our (pack/troop/crew). So you will be doing a good turn in two different ways by contributing!

I want to ask all of you who have not yet participated, but who have the resources to do so, to make a pledge or contribution today. Please take a moment to return your pledge card. If you prefer to make a contribution online, you can go directly to our unit's online portal at [this link](#)***. Or, if you want to learn more about FOS, please visit neic.org/friendsofscouting.

Thank you in advance for your generous contribution. Every dollar helps the cause. Please join me in making sure all of our Scouts have the opportunity to be prepared for life. Thanks for your support!

(Your Name),
FOS Unit Coordinator
(Pack/Troop/Crew #)

** Your District FOS Chair will share your goal with you.
