10am Google Meet (Writing → about 30-40 mins)

Send back Seesaw writing activities.. Who does this activity → not a personal narrative. This is explaining to someone what something is. So instead of filling out our planner and saying my family, or my sister and brother, or me.. We want to talk more in general, because there are likely a lot more people other than just you and your family who do these activities... So we can instead say families in the united states... or families around the world... children... students... whatever would make the most sense for what you are writing about.

\_\_\_\_\_ Independent writing time to finish up the Fill in the Blank [writing activity](#) ( this is also on Google classroom to use if a printer is not accessible and students can use their mentor sentence notebooks to write.)

\_\_\_\_\_ from 11:00 am - 11:45 am (Lunch and Recess)
