~ FULL SIZES ~

(5ml full unless noted. Tested only a few times.)

BPAL

(\$16) Batty Maiden (Ajevie leftover: ~3.5ml): White tea, black carnation, Damask rose, indigo musk, and leather. [Halloween 2023](#).

(\$24) Headless: Black leather and brimstone alight with red peppercorn and blood amber. [Halloween 2023](#).

(\$26) Blizzard: A solitary track stretched out upon the world: grey amber and white oud, ti leaf, vanilla ash and white sandalwood. [Yules 2023](#).

(\$24) Marble Wreath: A memorial garland of white sandalwood streaked with lapsang souchong, chilled vanilla, and benzoin. [Kotinos, 2024](#).

(\$24) Delightful Gargantuan Vagina: Red mango pulp, sugared orange blossom, mimosa, pink musk, and sweet incense. [Shungas 2024](#).

(\$18) Boystyle Aristocrat: A dapper Victorian bergamot and patchouli cologne that has been softened by orris and spiced with pink peppercorn. [2012 Event Exclusive](#).

(\$12) Seth (Ajevie leftover: 2.5ml): Sudanese myrrh, papyrus, champaca flower, black lotus, amber, and honeyed leather.

(\$26) The Illustrated Woman: Skin musk, smoky vanilla, pine pitch, patchouli, Indian resins, golden honey, and tobacco.

(\$23) Volt: Leather with a shock of eucalyptus, green mint, elemi, ravintsara and lime.

(\$22) Abolish ICE: Melt the hoarfrost of this administration's cruelty with this scent of warmth, safety, and succor: smoked toffee and patchouli with coffee bean, caramelized oudh, clove, and bourbon vanilla.

(\$24) Medieval Fool Breaking the Fourth Wall: Cheeky blackcurrant against a backdrop of scorched goat's milk, festooned with ribbons of scarlet musk, dried plum, and sweet rose-infused amber.

(\$20) Dracul: Black musk, tobacco, fir, balsam of peru, cumin, bitter clove, crushed mint, and orange blossom.

(\$10) BTPU2 (Prototype): No listed notes. To my nose, it's a juniper-y gin, with ginger, aldehydes, and something a little sweet. Very sharp, herbal, fresh, boozy. Kinda reminds me of an Underberg.

SORCELLERIE APOTHECARY / SORCE

(\$18) A Sign Painted "Peaches" (rollerball): Peach nectar, sun-warmed peach skin, saffron, gardenia, ambergris, vanilla absolute, vetiver.

(\$8) 2023 Arcanum Experiments 9: Dark red roses, apricots, pralines, lychee fruit, raspberry musk

SIREN SONG ELIXIRS

(\$15) Carmilla: sensual black cashmere, a leather riding crop, black suede gloves, and mystery. Lush, blush pink peonies bloom like an unspoken love in the night, mingling with suede and kissed with fragrant myrrh, sweet amber, and vanilla. Sensual, dangerous, and full of lusty feminine wiles, it lingers upon the skin like a forbidden kiss.

NUI COBALT DESIGNS

(\$12) Aries (4ml): A potion for courage, autonomy, assertion, ferocity, and the sheer power of will. Spiced espresso, blood orange, patchouli, kava kava, and crimson musk. Wear to meet stress with conviction, to wield your strengths fearlessly, and to push through any obstacle.

OSMOFOLIA

(\$12) Finally A Star (rollerball): Cardamom, grapefruit, gunpowder, tuberose, ozone, guaiacwood, ham.

~ <5ml but >1ml vials ~

ALKEMIA

***A Winter's Scene with Skaters Near a Castle:** Snow-covered stroopwafels, ice-rimed brown leaves, and a swish of boot leather.

Al-Shairan (x2): His scent is fiery, bright and thick with sweet sinfulness: clove, peach and orange with cinnamon, patchouli and dark incense notes.

Alice's Evidence (x2): Containing nary a neutron of meaning: rum-quince-cassis with prune and a bit of black ginger.

Athens: A reformulation and modernization of a true Classical Greek perfume, myrrhine: voluptuous myrrh, golden honey, red wine, and sweet flowers.

Black Forest: Thick, viscous pine with ambergris, black musk, juniper and cypress.

Black Lily: Breathtaking darkness, a vision of grace in shadow.

Blood: A vital, bold scent, throbbing with sensuality. Essence of dragon's blood resin, thickened with myrrh and cherry, with a trickle of clove.

Brimstone: A smoky, gritty blend, husky and gray.

Cairo: The essence of holy Kyphi, beloved incense of the Egyptian Gods.

***Cascade of Spring Blossoms:** Leather, red silk, mahogany, lotus root, honey cream, and red sandalwood.

The Caterpillar: Heavy incense notes waft lazily through a mix of carnation, jasmine, bergamot, and neroli over a lush bed of dark mosses, iris blossom, deep patchouli and indolent vetiver.

Cockaigne: The Land of Plenty, also called Luilekkerland, the Lazy, Luscious Land: milk and honey, sweet cakes and wine.

Dance of Death: A gloriously elegant representation of Lady Death. Dry, bone-white orris, black musk, serpentine patchouli and our murkiest myrrh.

***Dark-Eyed, Delightful:** Brown sugar, cacao, toasted cardamom, patchouli, vanilla absolute, and benzoin.

Darkness: Bottled gloom; the essence of oblivion. Blackest opium and narcissus deepened by myrrh.

Dee: His scent is soft English leather, rosewood and tonka with a hint of incense, parchment and soft woods.

Djinn: The scent of black smoke, of crackling flames, and smoldering ashes.

Dracul: Named in honor of Vlad III, Tepes, of the Order of the Dragon. Black musk, tobacco, fir, balsam of peru, cumin, bitter clove, crushed mint, and orange blossom.

El Dorado: Copal resin incense blowing through halls of dazzling gold.

Endymion: A sweet, wistful blend of d'Anjou pear, Lily of the Valley, bois du rose and white musk.

***Faith, the Siamese Twin:** Faith is sugared violet.

***Faiza, the Lady of Serpents:** A sensual blend of twisting, exotic, serpentine oils: black amber, oakmoss, green sandalwood, bergamot, jasmine sambac, gardenia, orange pulp, black cardamom, vanilla, blackberry, black musk, blackened vanilla husk, white honey, ti leaf, and ginger.

***Feast of Fools:** A rollicking scent that upturns hierarchies and flies in the face of conventions: cacophonous red poppy, sweet almond cream, wildflower honey, molasses, gingerbread, scarlet jasmine, red amber, lemon peel, Spanish moss, and black musk.

***Feed Me and Fill Me With Pleasure:** Black patchouli, honey, and thick vanilla amber.

Fenris Wolf: The raw, untamable power of chaos. Rosewood, amber, red musk and a dribble of red sandalwood.

Fighter: Leather, musk, blood, and steel.

Gaueko: Blackened sandalwood and misty lavender, with curling wisps of smoky tobacco, nag champa, and labdanum.

***Gingerbread & Leather:** They ride again! Black leather, gingerbread, clove, and tobacco.

~~***Gingerbread London Fog:** Steeped a bit too long because I wandered off and forgot about it.~~

Gnome: An explosive blend of effervescent golden ginger and black peppercorn with sarsaparilla, gurjum balsam, nutmeg, gear lubricant, and smoke.

***Hair Loosened and Soiled in Mid Orgies:** White honey, warm musk, and ambrette seed.

***Hallway of a Train Station:** Wild plums, black tea, a splash of lilac cologne, a flutter of silk, hot iron, steel, and smoke.

***Hamlet et les Fossoyeurs:** Dried rose petals scattered among funeral cypresses, a splash of sly tonka fougere, tobacco absolute, and charred white sandalwood skulls.

Hellfire: A swirl of pipe tobacco, hot leather, ambergris, dark musk and the lingering incense smoke from their Black Mass.

Hetairae: A seductive and dazzling blend of golden honey, fiery patchouli, sweet fig and clove, and a blushing touch of ylang ylang.

High-Strung Daisies: Daisy, pink carnation, pink pepper, and sugar.

***Hildegard's Cakes of Joy:** A hearty, humor-balancing, cheer-inducing cake crafted with spelt, nutmeg, clove, and a dollop of honey.

Horreur Sympathique (x2): The perfume of a hellbound soul, gleefully lost to iniquity: blood musk, golden honey, thick black wine, champagne grapes, tobacco flower, plum blossom, tonka bean, oakmoss, carnation, benzoin, opoponax, and sugar cane.

Intrigue: A sultry, exotic scent that inspires devious plotting and clandestine affairs. It is a scent painted in artifice, veiled in deceit, and slithering with whispered secrets. Black palm, with cocoa, fig and shadowy wooded notes.

Kobold Barista: Before you head out on your next adventure, slather yourself in this fiery brew: freshly brewed coffee with ginger, nutmeg, cardamom, black pepper, cloves, cinnamon, and cream.

***Koi no Yatsofuji:** Red musk chypre draped in silk cords, abalone accord, black tea, frankincense, polished teakwood, plum leaf, and cognac.

***Les Passades:** A heady swish of black velvet patchouli, ambre noir, silken musk, and bourbon vanilla.

Lurid: Shocking, horrific, fierce, savage, sensationalized, luminous and hazy: black currant, Bulgarian lavender and white musk with a dollop of thick resin and a voltaic charge of ozone notes.

Maenad: Orgiastic mayhem in the extreme: sweet strawberry and orange blossom distorted by carnation, black poppy and hibiscus.

Mag Mell: The warmth of amber, the puissance of white ginger and the clarity of verbena, with fresh green grass, lush sage and cleansing droplets of summer rain.

Mata Hari (x3): Her scent is striking and bold with a delicate yet dark undertone: five roses with soft jasmine, warmed by vanilla, fig, tonka bean and mahogany, spiced with a drop of coffee bean.

***Muddy Armadillo:** This little fella is a whole mood. Cacao, cacao wood, tobacco absolute, and bourbon cream.

New Orleans: Reminiscent of hothouse blooms on a humid night, ripe, but touched with decay. Sweet honeysuckle and jasmine with a hint of lemon and spice.

***No Man is an Island:** Warm, dark patchouli, hazelnut cream, coffee bean, cassis, tonka bean, purple sage, and bourbon vanilla.

Nosferatu: As soft as grave dust and as dry as a breath drawn within a long forgotten crypt, this is Nosferatu: desiccated herbs and gritty earth brought to life with a swell of robust and sanguineous red wines.

***October 2023:** Dry, cold autumn wind. A rustle of red leaves, a touch of smoke and sap in the air.

Old Scratch: A jaunty, dapper scent, deceptively genteel: a lavender fougere with tonka, amber, rosewood and a whiff of diabolical patchouli.

***Our Lady of Pain:** Sumatran patchouli, blood musk, white lavender, opium tar, and black orchid.

***Pistachio Ambrosia:** A whipped green dream, pale and pillowy with multicolored mini marshmallows, densely studded with bits of pineapple, mandarin, and shredded coconut.

Plunder: The scent of a pirate's bumboat, overflowing with stolen wares: tea leaf, cassia, cinnamon bark, clove, allspice, sandalwood, tobacco, peppercorn, and nutmeg.

***Pulcinella & Teresina:** Labdanum, cedar, teak and red rose.

***Pumpkin Spice Espresso Martini:** A triple shot with extra drizzle to keep you vamping till the sun comes up.

***Rest and Play:** Fireplace cinders, mahogany, and hearth-warmed fur.

***Roses, Pearls, Rubies:** Rose petal incense, twinkling white musk, sensuous labdanum, rhubarb, dried strawberries, and red amber.

Rose Cross: This is a holy oil, a representation of the triumph of spirit over matter: purest rose with sacred frankincense.

Scherezade: A master storyteller who possessed unflinching courage and compassion, a sharp, quick wit, and a true understanding of human nature. Saffron and Middle Eastern spices swirled through sensual red musk.

Shanghai: The crisp, clean scent of green tea touched with lemon verbena and honeysuckle.

Shango: The Master of Lightning's ofrenda contains red apples, banana, chili pepper, coconut, pineapple, pomegranate and sugar cane.

Sin: Thoroughly corrupted: amber, sandalwood, black patchouli and cinnamon.

Tlazolteotl: Her scent is a melding of her symbols and offerings: chapapote and black copal with cacao, black honey, maize, and cotton blossoms.

Uruk: Thick bitter almond and heady night-blooming jasmine with saffron, cinnamon leaf, red patchouli, river lilies, bergamot, fig leaf and the sacred incense of Inanna.

Vasilissa: Creamy skin musk and blushing pink musk with soft sandalwood, white amber, dutiful myrrh, and star jasmine.

Villain: A classic Victorian men's cologne: a lavender fougere, with hints of lilac, lime, and citrus musk.

***Wayfaring Stranger:** An offering of footstep dust and rusted keys, raw tobacco, and whiskey, coconut shells, and candle wax.

Whip: Agony and ecstasy: black leather and damp red rose.

***White Chocolate and Taro Cream:** White Chocolate and Taro Cream

The White Rider: White leather and sandalwood.

***Womb Furie:** An itch that needs to be scratched: Snake Oil and three types of honey.

***Women of Leisure:** Red currant, white honey, coconut milk, and amber.

 - 5 for \$10

***Amour Conjure:** An erotic, exotic blend of amber aged with Bourbon vanilla pods, Ceylon cinnamon infused flirtatious aldehydes, Bulgarian roses, rose geranium and vetivert roots, copper distilled patchouli, and a scattering of incense resins.

Bronze and Blaze (tall slink, Surrender To Chance decant): Autumnal bronze amber aged with cognac barrel staves, red oak leaves, Perique pipe tobacco, raw cashmere wool, opoponax

(sweet myrrh), and soft suede gloves warmed by a creamy and steamy cup of Bourbon vanilla coffee.

Dustsceawung (tall slink, Surrender To Chance decant): The scent of forbidden explorations and an olfactory meditation on dust: attic air, the inside of old trunks, abandoned haylofts, library stacks, and abandoned buildings.

***Kintsurukoi:** A radiant illumination of Japanese musk, regal white amber, calming white floral aldehydes, delicate Kyoto roses, yuzu, Asian pear, water lotus, and silk tree flowers.

Persian Tea Room: Spiced black tea, dry desert sand, and Silk Road spices infused with the sensual promise of enticing musk and a flirtatious kiss of soft leather.

The Romance of Lust: The primal elements of desire combined into an alchemy of lust. Randy dirt-sexy patchouli, black vanilla, salaciously sticky honeycomb, and a darkly concupiscent amber infused with botanical pheromones.

Silver Sky: A springtime freshet of rainwater musk, oceanic grey amber, muget, daffodil, silver needle tea, galbanum, and white cedar.

***Traveler and the Moon:** Silver leaf tea brewed in an iron kettle, galbanum, sandalwood, petitgrain, tobacco and bamboo leaves, wild currants, raw honey, fresh hay, and a cool splash of rice wine.

Tulips and Chimneys: An urban springtime of rainy aldehydes, wet asphalt, industrial steam engines, farmer's market bouquets of fresh tulips, Toulouse violets, mint pastels, and a warm touch of clove viburnum.

Venym: A dark sensuality of black roses, saffron infused oud, neroli, bergamot, star jasmine, black vanilla, limoo amani, Darjeeling tea, dark aged patchouli, ebony wood, opium, and black amber.

Virtue of Desire: A sexy complexity of caramel amber musk, dark patchouli, apricot-rosewater white chocolate truffles, peach brandy, plumeria, coconut sage, Tiare, raspberry cream, and neroli orange flowers.

SORCELLERIE APOTHECARY / SORCE (\$3 each, Ajevie slinks)

Barred Owl: Vanilla-infused pipe tobacco, nutmeg, honeyed oats, tan suede, bronze musk, a touch of Australian sandalwood, and a dark heart of ebony.

Bee in Your Bonnet: Raw rhubarb and cardamom with toasted oats, Madagascar vanilla, ginger ale, and caramelized honey.

Capricorn: A blend for patience, strategy, and earthly mastery. Sun-warmed stone, grey suede, Harris tweed, orris root, vetiver, pale patchouli, and silver cypress.

Campfire Hoodie: Heavyweight cotton infused with body heat, toasted marshmallow, and woodsmoke.

Charisma Bonus: A seriously sexy fragrance to ensnare the objects of your desire. Spiced black patchouli languishing in vanilla honey with scattered ylang petals and catnip leaves.

Cheat Code: Windswept teakwood, cedar, coriander and tea are grounded in black tonka with a hint of fine leather.

The Common Room: Well-worn leather of a sofa that's held decades of tears, secrets, giggles, and cookie crumbs.

Cornucopia: A bounty of autumnal riches. Hand-woven baskets of golden straw brimming with blackcurrant, Bartlett pear, pistachio, toasted corn, and spiced sweet potato.

Defiled: Honeyed fig, Bourbon vanilla, clove bud, cinnamon, orris root, cardamom, patchouli, nocturnal jasmine and a pinch of catnip.

Flow: Blue lotus, dewy plumeria, silken shea, and cool cerulean musk.

Full Moon: At the height of her power, the moon adorns each wisp of cloud in a luminous mist of diamonds. Wear this sacred scent to invoke mystery, magick, and intuition. Notes of white tea, steamed jasmine rice, sugared lemon, and cool night air.

Gingerbread Sanctuary: Warm, soft gingerbread baked with Tupelo honey and toasted almonds, a pinch of precious saffron, draped in lavender-lemon icing.

Manifestation: A potion for bringing clear intentions into physical form. Black walnut, pomegranate preserves, clove bud, coriander, black tea, and oudh. Wear to crystallize your vision, and bring ideas into material reality.

Opulence: Precious white cardamom, lemon myrtle, Damask rose absolute, chai, Madagascar vanilla, Australian sandalwood, tonka butter, grains of paradise, and patchouli.

Original Prankster: Snickerdoodle: Fresh from the oven, crisp cinnamon sugar gives way to warm, soft vanilla cookie with just a trace of salted butter.

Resplendent (x2): Sapphire velvet in candlelight, a diadem of Elvish silver and moonstruck diamonds, incense coiled about an altar abounding in lush honeyed fruits, and laughter that hangs in the air like a thousand fireflies.

River Otter: Languid amber accents dark patchouli and sandalwood with Peru balsam and teak while balancing the playful sweetness of homemade maple fudge.

Shadow Touched: Black vanilla, unsweetened chai, antique myrrh, Omani musk, rich pipe tobacco, agarwood, and unrefined cashmere.

Silent Night: A dreamy sleep scent for instant relaxation and deep, restorative rest. Fine white sandalwood, non-indolic jasmine, sea grass, ylang ylang, lavender, and orange blossom.

Tryptophan: A soothing sleep blend to lull you into a deep and restorative night's rest. Softest sandalwood, warm vanilla and clary sage are accented by precious blue chamomile and subtle french lavender. Please note: there is no actual tryptophan in this fragrance.

Snow Storm: An assertive blend of bitter almond, rosemary, white sandalwood, and cardamom over aloe, creamed coconut, frozen honeycomb, frankincense, and copal.

Visions of Sugar Plums: A scent for a grown-up winter evening after the kids have gone to bed. A relaxing melange of preserved plums, Turkish apricots, warm mulling spices, delicate spun sugar, and a stealthy shot of Kentucky whisky.

Wassail: A passionate potion to cultivate intimacy. Madagascar vanilla bean, cubeb, clove, black raspberry, honeyed Merlot, liatrix, and a whisper of Southern magnolia.

Wings of the Morrigan: Soft, smokey leather with a splash of red wine, an offering of black cherries and bitter chocolate, the steel and stone of the battlefield.

Ye Olde Village Tavern: Pipe tobacco, oak barrel aged whiskey, smoldering cedarwood, black walnut, freshly turned hay, and brown saddle leather.

Yuletide Gay: An unrepentantly sexy homage to all who live their truth and take pride in their authentic selves. Angostura bitters, roasted chestnuts, Egyptian musk, green figs, dark sweet patchouli, and black tea with a touch of cream.

Possets (\$3 each)

Arbitrage: Apricot, and smoky Tahitian Vanilla (aged to perfection). A very small amount of black tea, and an edge of mahogany essence.

Death (The Pardoner's Tale): Suave, sophisticated and as final as Death. As dark a vetiver as you could possibly smell mixes with smooth thyme and a good jolt of black amber. A faraway touch of incense and a tiny amount of pure smoke.

Fire Flakes: Dramatic and attractive, there is an underpinning of a silvery camphor and the hypnotic allure of narcissus combined with a surprising element of fern and precious Arabian musk. A drop of chocolate liquor keeps the whole from tipping its hand too soon and thereby losing its prey.

Ouija: Notes from the dead floating in in the nicest way. Calming cedar and rosewood, black vanilla, fat vanilla, and a touch of rose to give it a sweet side, black silk scent, and a touch of coriander.

Samarkand: Rich proprietary black musk, a thick addition of darkest black tea, knit together with a smooth but almost undetectable attar of roses (which is a catalyst for the whole). The most exquisite nag champa and finally topped off with a thick syrupy aged patchouli and a huge shot of incense.

Solis Anima: Blood orange, Lychee tea, Screwpine flower, Tamarind, Cucumber, Ginger, Tomato, Vetiver, Kadamba Flowers, Sandalwood.

Hexennacht (\$2 each, Ajevie slinks)

Bohemian Rhapsberry: wild berries, aged dark patchouli, vanilla, pu'erh tea, ginger, black pepper, cardamom, tonka, cedar, sandalwood, artemisia, sage, bergamot, neroli, incense, pink pepper, benzoin.

Turquoise: wild blueberry, white amber, prickly pear, apricot, artemisia, green tea, honey sage, ghost flower, lemon verbena, lavender, lemon balm, cactus flower, dry grass.

Death & Floral (\$2 each, Ajevie slinks)

Before You Were Dust: Herbal bay leaves and black tea blended with sweet tobacco, the smell of a deep belly laugh, an old wooden cane, a worn out hat and a cracked leather jacket.

(\$1) Damned Nightfall (Surrender to Chance decant; ~0.5ml): The deepest and darkest amber blended with violets, black labdanum, vanilla absolute, espresso absolute, fresh cocoa beans, and honeytes.

Doomsday: Overdried dead grass, cool menthol tea, black currant, sage, dried acorns, tobacco.

The end is here: Vanilla Coke, bourbon, fleeing animals, the musk of an infinite black void.

Pop Donuts: Pink and blue frosted donuts, blended with maple syrup and blueberry jam.

Queen of Moths: Incense, rich chocolate, decaying flowers, tobacco, dark woods, attic dust.

We Took The Gig For The Mileage Write Off: A waft of a gasoline puddle outside of the stop'n'go, quiet night air surrounding the car parked under flickering fluorescent lights, a tiny tinge of salty sweat, the milky scent of quiet and happy dog feet, asleep in the backseat.

CocoaPink (\$2 each, Ajevie slinks)

Desert Twilight: Ghost flower, mitti attar, peru balsam, saguaro cactus water, and black musk.

Spilled Love Letters: Blend of coconut cream pie with marshmallow meringue, sweet pumpkin, spiritueuse double vanilla, and Vanilla Bean Noel.

Shades of Gray: Warm Earl Gray tea brought to life with notes of fresh milk, bergamot, a drop of mandarin orange, white sugar, tonka bean, whispers of peppermint leaf, cardamom, transparent musk, and white amber.

Misc. Other Houses (\$2 each)

(NAVA) Silver Dust: Black Tea Leaf, Bergamot Essential Oil, Leather Accord, Sequoia Wood Essential Oil, Black Vetiver and a cube of sugar.

(NAVA) The Mummy: Raisin Kyphi, Amber Resin, Fresh Dirt of a Tomb, Loam, Butterscotch, Caramel, Walnuts, Burned Sugarcream.

(Deep Midnight Perfumes) Ophelia's Flight: White Amber, Pears, Ripe Berries, Dark Honeycomb, Pink Peony, Apples, Cream, Spearmint, and a bit of Beeswax.

(Area of Effect) Shadow: petrichor, tomato leaf, stone, fig, mud, campfire, rainforest floor, patchouli.

(Black Baccara) Snow Angel: This sparkling clean, soft, icy, and enchanting blend begins with a vague hint of the ghost of autumn leaves before dispersing aromas of cranberry, pine needles, and a delicate blend of neroli cedar and peppermint enhanced by the faintest bits of plum and fig.

(PULP Fragrance) The Widow in White: Meyer lemon, white grapefruit, orange blossom, sandalwood and vanilla.
