A Thought to Ponder from The Urantia Book
Freedom of Choice

“Thus always it was and forever will be: Men must arrive at their own decisions. There is a certain range of the freedom of choice which mortals may exercise. The forces of the spiritual world will not coerce man; they allow him to go the way of his own choosing.”

選擇的自由

「過去如此，未來亦然：人們必須做出自己的決定。在一定的範圍內，凡人能自由地選擇。靈性世界的力量不脅迫人；他們允許人走自己所選的路。」
