A **valid passport is required** **for entry into Mexico and for return to the US**; a passport book is great and a passport card is even better. It's good practice to have several blank pages available in your passport. If you do not have your passport on hand at this moment, start **now** to make a plan to get it.

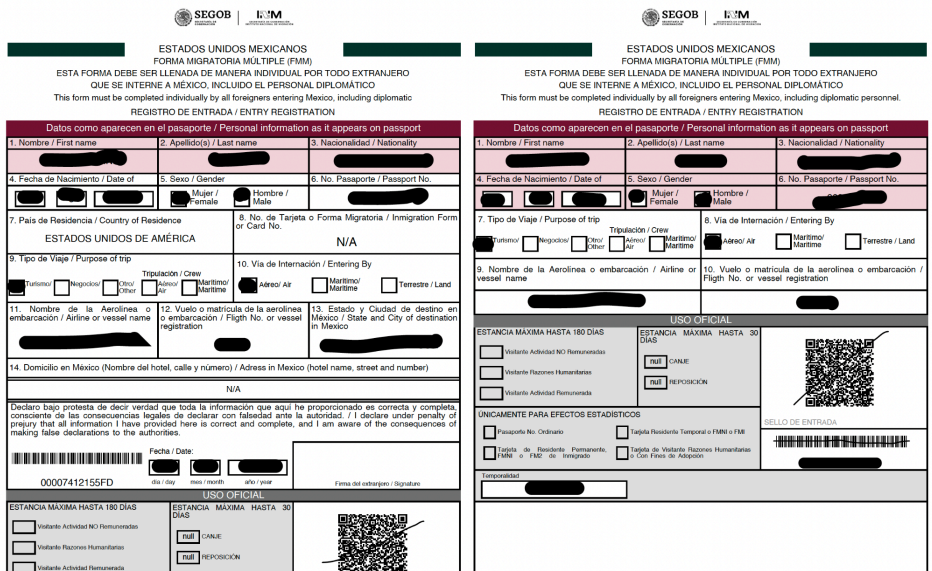

Multiple Immigration Form (FMM) Application

Before arriving at the border, immigration would like us to fill out this Multiple Immigration Form (FMM). **Please fill out prior to Day 1 (note, you cannot fill this out more than 30 days before your trip, please wait until you receive an email from your leaders 30 days before your trip confirming our point of entry)**, print the application, and bring the hard copy with your passport. At the border, we'll stop and bring our passports and FMMs inside to immigration and both will be stamped!

8. If you are in Stars to Sea, Expedition Shark, or any other short term program, you're all set! **If you are an intern/staying longer than 8 days**, you will need to pay, *then* you will be able to print your form (they'll send a confirmation email and you can print it after you pay)

Continued payment instructions for long-term stays:

9. The initial webpage will automatically prompt you to visit the payment site (Services Portal of the National Migration Institute) once you are done filling out the form: https://inm.gob.mx/spublic/portal/inmex.html

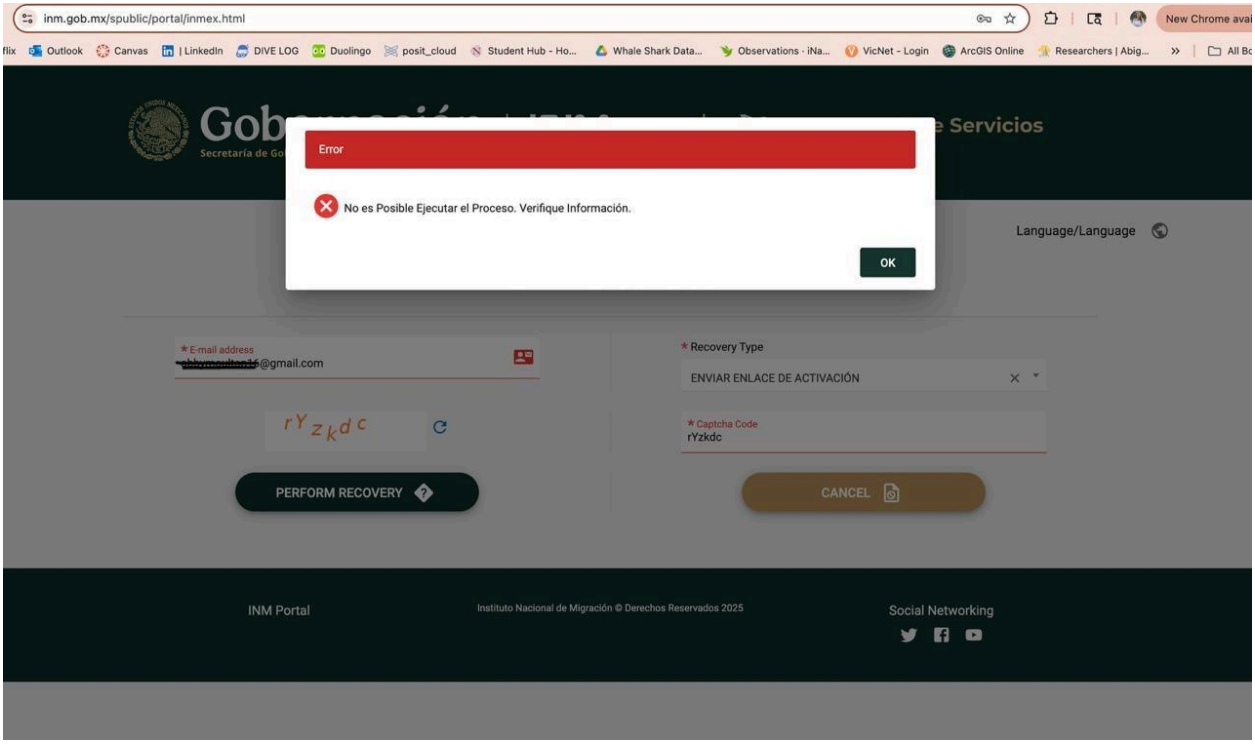

10. Once in the portal, **you will need to make an account in order to pay**. Click the icon on the left that says “Portal of Services, Multiple Migratory Form, Pre-registration, Online Payments”

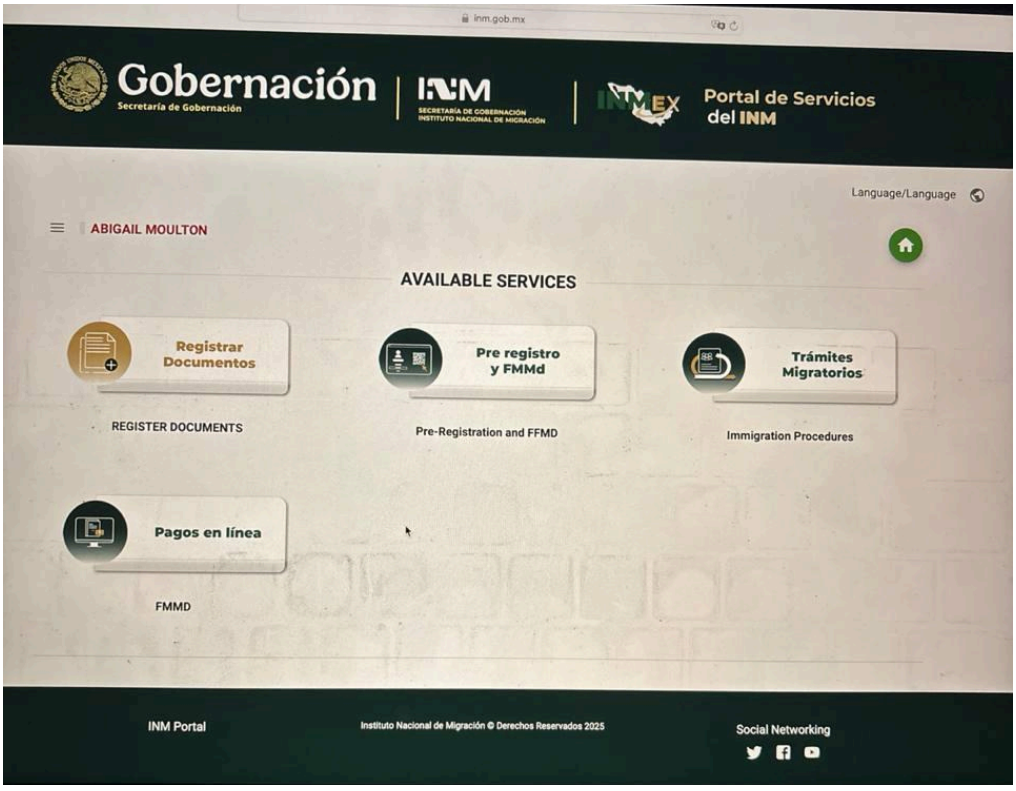

11. Select “Create Account” then **check your email to activate the account** via a link they will send you (check your junk/spam folders in case)

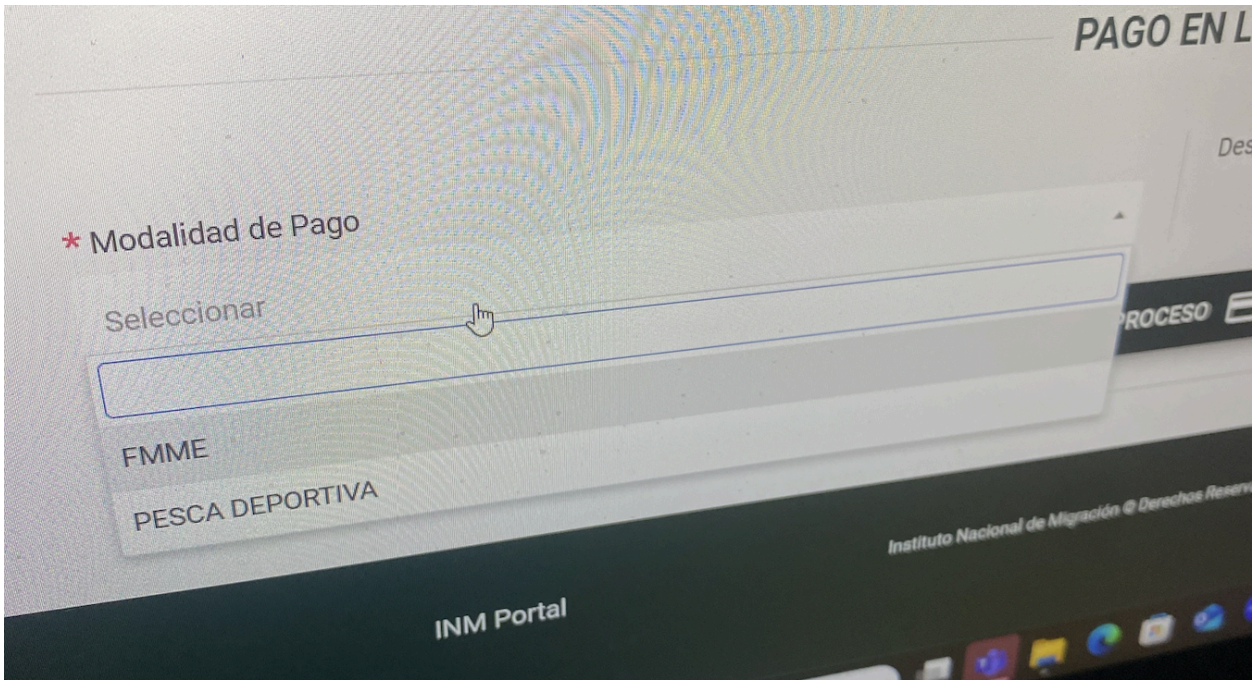

12. Next, log in using the email and password you just created. This step can have technical errors, so if it doesn't work try using a different browser (sometimes Chrome doesn't work but Safari does). This image is an example of the error message when trying to re-send the activation link. First try different browsers or create the account again; if that doesn't work, reach out to us!

13. Once you successfully log in, select the bottom left icon that reads "Pagos…"

14. For the type of payment, select FMME, the other option is for sport fishing

15. Now, continue to the payment. It will be in pesos (MXN) don't worry. 2026 cost is $983pesos, or about $60USD
16. Make sure you have downloaded your FMM form (screenshot on step 7) & save any receipts for your records! Print this form and bring it with you along with your passport in an easily accessible place on your travel day.
