May 3, 2024

Good Afternoon Accompsett Families,

This week PSEG came to Accompsett to work with our 3rd, 4th, and 5th grade students. They participated in the Touch a Truck program which taught our students important safety skills. Additionally they learned about the role of a lineman and the tools they use to keep our electrical systems up and running.

Continued practice of basic skills (reading, writing, mathematical computation) are essential for students to keep the knowledge they acquired throughout the school year and prevent "summer slide." Once again the Smithtown Central School District will be holding a summer bridge program. This program is completely virtual and is an opportunity for students to receive ongoing instruction during the summer months. More information can be found [here](#).

The NYS Mathematics Assessment and Science will take place next week. This year the test will be administered on Chromebooks. Please make sure to send your child to school with theirs fully charged. The schedule is as follows:

Grade	Part 1	Part 2
4th Grade Mathematics	May 6, 2024	May 7, 2024
3rd Grade Mathematics	May 8, 2024	May 9, 2024
5th Grade Science	May 10, 2024	

The Accompsett Elementary 5th Grade Chorus has been selected to sing the national anthem at the LI Ducks game on June 1st at 6:30. This is a fun family event. There will be fireworks and entertainment for everyone. [Click here for more information](#).

The PTA has partnered with GOAT USA to create a Smithtown t-shirt! They can be purchased on the [PTA Memberhub](#). Shirts are available in both youth and adult sizes.

Please see the [May Unplugged](#) newsletter created by our SEL instructional specialists.

Field Day will take place on Thursday, May 23rd on the AMS field. Classroom teachers will divide each class into colors. They will be sending that information home to you in the very near future. The schedule can be [found here](#). If we need to reschedule due to weather, the rain date is May 28th.

Did you know AEL is a Box Tops School? Use this referral code V4EF8UCB when you sign up and you'll get 25 Bonus Box Tops when you scan your first receipt now through 05/31/2024 while supplies last! Download the Box Tops for Education app [here](#).

Please see the [attached list of upcoming events](#) and important dates. Please note that Cultural Arts events take place during the school day and are for students only. They provide many wonderful opportunities for students to have fun and learn at the same time. Don't forget to talk about them at home.

I hope you and your family have a wonderful weekend.

Best,

Tim Hellmuth
Principal
