

IIP-X Proposal for reducing the price of illuvitars

Simple Summary:

The Council is launching a new pricing strategy for its collection and album features, with reduced prices for standard and mega D1sks.

Overview:

The Council has a new pricing strategy to make its collection and album features more accessible and exciting.

The proposed pricing structure is as follows:

Standard D1sks: 0.005 ETH

Mega D1sks: 0.025 ETH

Rationale:

The rationale behind the new pricing strategy from the council is to increase accessibility and excitement for community members.
