| 3.  | EASE Update <ul style="list-style-type: none"><li>Review <a href="#">EASE Workgroup description</a></li><li><a href="#">Discuss 2024-25 EASE evaluation process</a></li></ul> | <p>This is the 10<sup>th</sup> year of Equitable Access to Success Evaluation (EASE) since 2015 when the Chancellor established it to address the accreditation finding for Standard II.C.3. as “Equitable Access to Services Emergency Taskforce.”</p> <p>EASE is now a Workgroup that provides evaluation updates with considerations for continuous quality improvement addressing Standards 2.7 and 2.8 to the Accreditation Steering Committee.</p> <p>EASE members have direct experience with students at the Centers which includes representatives from the following: Academic Affairs Deans of the Centers; Student Affairs Deans and leaders for the 7 core services (A&amp;R, Counseling, Financial Aid, Library and Learning Resources, Bookstore &amp; instructional material, Student Affairs, Student Conduct; counselors/Coordinators, Associated Student leaders from Centers, Student Services Specialists [1490s], and representative from Institutional Effectiveness as a resource.</p> <p>Tri-Chairs, representing classified staff, faculty, and administration, lead the workgroup. VC Lisa Cooper-Wilkins</p> |                                         |

|  |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |  |
|--|--|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
|  |  | <p>(Tri-Chair), Anthony Cox (Tri-Chair), 1490 from John Adams Center (Tri-Chair), Cherisa Yarkin (facilitator), Lisa Romano (resource).</p> <p>The purpose and responsibilities of EASE are to evaluate the implementation of practices that ensure equitable services for students enrolled at the centers or online.</p> <p>EASE meets twice per semester.</p> <p>The EASE Workgroup description is an evolving document.</p> <p>Spring 2025 Update:</p> <ul style="list-style-type: none"> <li>• The image on the PowerPoint presentation represents that there is a lot of work in place and there are also gaps in other areas.</li> <li>• EASE Workgroup continues to discuss topics of common interest to better reflect current practice.</li> <li>• EASE Workgroup met 4 times during the year to gain a broader perspective of the core services. EASE Workgroup members will continue to visit the Centers.</li> <li>• Question for the EASE Workgroup: The 1490s represent the Classified professionals, should other Center-based Classified professionals be included in EASE Workgroup membership?</li> <li>• How can EASE evaluation findings can better connect to resource prioritization processes?</li> <li>• Include students as EASE Workgroup members. EASE Workgroup has not been set up to engage with the students except when they are visiting the Centers.</li> <li>• Common themes: <ul style="list-style-type: none"> <li>o Core services are being provided – Students do have access to the services.</li> <li>o Staffing levels remain an issue – Library, A&amp;R, Counseling (Instruction and Student Services need to collaborate).</li> <li>o Provision of bookstore services continues to be a challenge – Students order books online or go to the Ocean Campus. The Library has been revamping some of the books and processes. The Library has \$80k for course reserve which they can use. There is a demand for computers in A&amp;R. Guillermo from the Financial Aid Office purchased some computers for A&amp;R to make it more accessible to students.</li> </ul> </li> <li>• The EASE evaluation report for 2024-25 will be shared</li> </ul> |  |

The visiting team expressed appreciation for the clarity of our responses and the progress we have made. We felt hopeful and that we had tangible evidence. We still need to continue to address the findings that led to the sanction. The Site Visit Team met with Chancellor Bailey, VC Yulian Ligioso, AVC Adil Ahmed, the Board of Trustees, and AVC &amp; ALO Kristin Charles. They started and ended the day with the Chancellor. It was an easy day compared to past site visits.</li> </ul> </li> <li>Partnership Resource Team (PRT) Visits <ul style="list-style-type: none"> <li>The Ad Hoc Committee on Policies recommended that the College seek help from the State Chancellor’s Office through the Institutional Effectiveness Partnership Initiative.</li> <li>This served as important evidence for our follow-up visit by ACCJC.</li> <li>The College had 2 partnership resource team visits with a focus on our financial stability. The team included three chief business officers. They were very direct and concerned about our financial situation and provided us with a menu of options for consideration. We can incorporate those into an “Institutional Innovation &amp; Effectiveness Plan” (II&amp;E Plan) or come up with our own options. Kristin has a skeleton/framework for the II&amp;E Plan. If approved by the State Chancellor’s Office, we will receive \$200k to help implement our II&amp;E Plan.</li> </ul> </li> <li>June 4-5, 2025, Commission Meeting <ul style="list-style-type: none"> <li>Action will be taken regarding our sanction status during the June 4-5, 2025 Commission meeting.</li> <li>We expect to hear from ACCJC by mid-July 2025 at the latest.</li> </ul> </li> <li>Review Executive Order regarding Accreditation <ul style="list-style-type: none"> <li>Accreditation is under scrutiny by the federal government.</li> </ul> </li> <li>Provide brief overview of April 1 ACCJC Regional Convening <ul style="list-style-type: none"> <li>Kristin and Sheri attended the April 1 ACCJC</li> </ul> </li> </ul> |  |

|  |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |  |

|  |  | <p>Regional Convening.</p> <ul style="list-style-type: none"> <li>o ACCJC is encouraging institutions to follow the Rubric for Effective Institutional Outcome Transparency for Annual Report regarding visibility of student achievement data.</li> <li>o ACCJC wants to ensure institutions' student data are meaningful.</li> <li>o CCSF has been doing that and we have an Institutional metrics webpage that provides student enrollment, support, and success data including data in other areas of the College. Kristin/Sheri/Pam scored CCSF with a 5 out of 8 on the ACCJC rubric. We need to rename our link to student data more meaningfully/intuitively (currently "institutional metrics") and better surface institutional reflection on the data.</li> </ul> <p>Review ACCJC Annual Reports</p> <ul style="list-style-type: none"> <li>● Each year, the College submits an Annual Fiscal Report and Annual Report to ACCJC. Both reports utilize three years of data working backwards from the prior fiscal year (FY21-22, FY22-23, FY23-24).</li> <li>● The Annual Report helps ACCJC to monitor and evaluate member institutions' strengths, stability, and ongoing alignment with the Standards during the course of the accreditation review cycle. Using the institutions' self-reported data, ACCJC collects headcount information to monitor institutional growth such as in distance and correspondence education, institution-set standards for key indicators of student achievement, licensure exam pass rates, and job placement rates.</li> <li>● In accordance with federal regulations and the Commission Policy on Monitoring Institutional Performance, ACCJC uses the Annual Fiscal Report to monitor and evaluate the member institutions' strengths, stability, and ongoing alignment with the Standards during the course of the accreditation review cycle. It looks at the institution's revenue, expenditure, debt, OPEB Liability, audit findings, student loan default rate, resources, leadership turn overs, and the fiscal health of the institution.</li> </ul> |  |
