Flight information

Airport to guesthouse

Inbound flights should be booked to Adana Airport (ADA)

From Adana to Mersin, you should transfer to shuttle buses (company name HAVAŞ). You could find these buses in front of the domestic part of the airport. The price will be approx 100 Turkish liras. They take card payments.

Tell the driver you would like to stop at Mersin Forum Shopping Mall (Forum AVM). The location of Forum AVM: <https://goo.gl/maps/1JadASmQoFzr3R768>

From Forum AVM to Guesthouse: The distance will be around 1.5 km. You can take a cab in front of the shopping center. This would be the easiest case.

Guesthouse to University

We plan to organize shuttles. Waiting for the budget for this.
