## INTRODUCTION

TJCA-CFA consists of all areas not included within the boundaries of the Rutherford County School districts. This area reaches from the Rutherford County to Cleveland County. Safety records support the fact that the school bus is the safest mode of transportation today. Safety in school transportation means perfection. If one child is injured during the course of a school year, our transportation is not only imperfect, is has failed. Because of this, TJCA-CFA is constantly "Striving for Excellence."
