

## AP Chemistry

### Fee for Curricular Activity 2025-2026 School Year

Curricular activity means an activity, course, or program that is provided, sponsored, or supported by the school; and conducted only during school hours.

Teacher Name(s): David Vala

### Fee and Spend Plan

Fee	Spend Plan Specific delineation of what this fee covers
\$22	Replacement of perishable and disposable lab supplies Replacement of broken accessories for vernier instruments Replacement of 1 vernier spectroscope instrument that is not functioning.

If the fee you are requesting for the 2025-2026 school year is higher than the approved fee for the 2024-2025 school year, please explain the reason for the increase in the fee:

One instrument that is used in multiple labs throughout the year has to be replaced so that we can continue to perform the labs with these instruments.
