How the Reading Challenge Works-

- ALL students will record their minutes read electronically on a google doc tracking sheet
- Students will have access to the doc at home and at school to ensure all minutes are recorded for the previous day/s (Minutes will be recorded Tuesday, Jan. 16-Fri, Jan. 19).
- Minutes read Fri (Jan. 12)-Mon (Jan. 15) will be recorded the morning of Jan. 16 at school or can be recorded at home the previous night. The rest of the week, students will record their minutes read each day (that same night or next morning at school) Make sure you record ALL minutes read, so they count towards ME's reading goal and the class with the most minutes read each day will get a special surprise.
