

Lunken, Amanda

I am Amanda Lunken year 2/3 teacher at Stonefields School, a position I have held for 3 years. I would like to be the staff representative for Stonefields School on the Board of Trustees.

In this role I will be willing to listen to the voice of all the school staff and present their views fairly and accurately at Board meetings. I will take part in discussions and help make decisions based on their views. When required I will also report to the staff the decisions made by the board that impact them and, when necessary, explain the reasons the Board has reached such a decision.

I believe I live the Stonefields School vision and relate to others, participate in discourse and value different perspectives. By valuing collaboration I am also able to listen sincerely to others.

I want all learners who attend Stonefields School to achieve success in all areas of their school life and would like to be a part of a Board of Trustees that formulate the policies and procedures to ensure this.

If elected to this role I am willing to commit my time to represent the school staff on the important issues that may impact their day to day teaching and how they contribute generally to the Stonefields School vision.
