

At-Home B-A-N-D-O

You aren't trying to just get 5 in a row! Your goal is to cover ALL of the squares!

You must provide proof! Option 1 - upload evidence to Google Classroom as you complete each challenge / box. Option 2 - Your parent/guardian/adult in the home must witness you doing each challenge and initial in each box you complete.

How many different scales can you play? Try to learn a new one every other day. Your goal is all 12 major scales	Download a tuning app AND a metronome app to your phone, computer, or tablet. Your proof is a screenshot.	Play one of your pieces of sheet music for someone. Bonus points if they clap!	Write a letter to someone younger than you telling them why they should join (or continue) band	Record yourself playing an A.I.M. playing test and upload it to google classroom (or email it to me)
PRINT or make a copy) and complete the Tuning Tendencies chart . This will probably take more than one day / practice session	Go to https://www.musictheory.net/exercises Play until you can get 100% naming at least 20 notes. What is your record?	Practice for 15 minutes in your PJs... In the bathroom...In front of a mirror!	How long can you hold a note? Try to improve it by 1 second or more every day. What's your record?	Use the internet to find sheet music for your instrument...and play it!
Listen to an online concert https://www.digitalconcerthall.com/en/tickets?a=bph_webseite&c=true	Record yourself playing an A.I.M. playing test and upload it to google classroom (or email it to me)	FREE SPACE (My gift to you. You're welcome.)	Find a YouTube video of someone playing your instrument...and watch it!	Clean and care for your instrument (oil valves, cork grease, etc)
Record yourself playing an A.I.M. playing test and upload it to google classroom (or email it to me)	Figure out the melody of a song by ear (without using music)	Practice all of your concert music pieces until you can play all of them.	Watch a Drum Corp Marching show https://www.youtube.com/watch?v=yTZyr6EoVpQ	Compose an original 8 measure melody. Write it on staff paper and record yourself playing it.
Write a letter discussing what being in band means to you. Upload to Google Classroom	Find a recording of one of your pieces of sheet music on YouTube or at JWPepper.com and play along with it!	Play a song to someone over the phone, facetime, skype, or other live messaging	Record yourself playing an A.I.M. playing test and upload it to google classroom (or email it to me)	Play the concert Bb scale by MEMORY
