

Tommy Is Getting So Much Worse in Exile...

16:25

TOMMY: Oh, look, guys, we've got our path that we'll walk up and down. It's fine though- no, no, here's the thing, here's the thing, let's not get our pessimistic mindset dictate our lives. Someone's gonna come and visit me eventually. They have to when I don't pay my taxes. It's- you know, and if they're here to arrest me or to not, I'll still be able to see someone. Mhm? Who wins now, bitch? You know? I'm the real winner!

TOMMY: Hear me out, chat; I'm not the type of guy that drops his ice cream on the floor, I don't let my ice cream melt! I put it in the freezer and I save it for years.

TOMMY: You don't understand-

TOMMY goes to hit a skeleton but fazes through it

TOMMY: Oh my goood, am I hallucinating?

17:44

TOMMY sees a dolphin.

TOMMY: What the fuck? Wha- hello. Hello- oh. Mother Nature. I'm like David Attenborough.

A dolphin jumps up on the shore.

TOMMY: Ah! Get back in the water, get back in the water! You idiot. Oh my god... see, guys! It ain't so bad! It ain't so bad being alone.

20:03

TOMMY: Alright, we need to find some blaze powder. How do we- am I allowed to go and... okay, let's just get to a safe- my home isn't safe anymore. Why am I so- Why is this so basic? Why must it look like from other people's povs, they're sat in full netherite, and I just go- I'm being 1v4'ed.

TOMMY messages EVERYONE

TOMMY: hey guys, do you have fellas have any blaze power spare? :D

TOMMY: Oh, I didn't think about it enough. Oh, I didn't think about it enough. Oh, they're all gonna think I'm cringe now. No, you know what, it doesn't matter. It doesn't matter, it doesn't matter.

PUNZ whispers to TOMMY:

PUNZ, whispering: i have some

RANBOO messages TOMMY

RANBOO, messaging: i dont think so sadly

TOMMY: "I have some" I do not wanna speak to- okay, no, no, fine. We're safe now- oh!

21:12

TOMMY's skin changes for the first time, showing his deteriorating mental and physical health

TOMMY: It seems as though my lack of sleep has taken its toll on my eyes. That's okay.

TOMMY: "Blaze power"? Oh no!

TOMMY messages EVERYONE:

TOMMY, messaging: Sorry aha

TOMMY: Stupid Tommy, stupid Tommy! This is what happens when you don't speak to anyone.

TOMMY messages EVERYONE:

TOMMY, messaging: ITS WHAT HAPPENS WHEN YOU ALL FDUCKING LEAVE ME

PHILZA messages TOMMY

PHILZA, messaging: cringe

TOMMY: Philza, Philza, no, no, no.

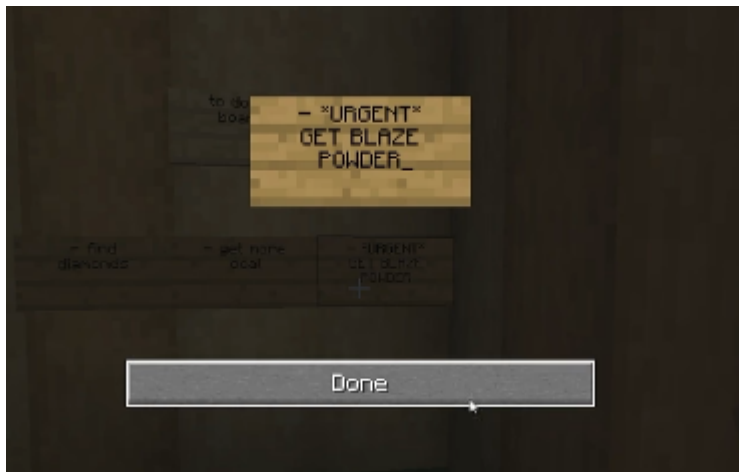

21:58

TOMMY: No, no, I will not snap again. I regret that, I regret that

22:46

TOMMY continues making his to-do list.

TOMMY's new sign: *URGENT* GET BLAZE POWDER

TOMMY: I'm allowed in the nether, aren't I? So I could go and find a fortress. You know what? Fuck it! For the first time ever I'm gonna do it myself. Screw everyone else, I don't need them. I don't need they handouts. This will be fun, this will be fun! I'm sprinting, I'm feeling alive again! I'm feeling alive, I've got me- I've got some pep in my step. It's a new day! Ah! Oh my god, I feel alive!

23:54-25:38

27:40

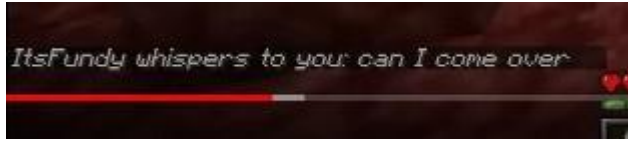

TOMMY prepares to do a block clutch with the hay bale, but doesn't actually do it. He goes from full health to three hearts

TOMMY: Oops I missed. [...] Yeah, I'm getting a little slower these days, but that's okay.

RANBOO: That's alright, that's alright.

TOMMY: I mean, that's just what happens, right?

FUNDY *whispers*: can I come over

TOMMY: I've just gotten a message, this guy's being dead clingy around me. This Fundy guy. He's trying to snap me, he just wants his snap score to go up, I bet. Urgh, you know how it is, Ranboo.

TOMMY: I just watched a suicide.

RANBOO: Ohoh, that's what that was. That's not good.

TOMMY: That's, hm.... that's bad

30:00

TOMMY: Oh here's the ehm, oh, I remember this... it's only been a few days since I've been uhm

RANBOO: Yeah, it sounds like you can't remember

TOMMY: Well, it's felt like a very long time

TOMMY: Where is the- where is the blaze fortress? The fortress?

RANBOO: I have no idea where the fortress is, you should probably ask where it is.

TOMMY messages EVERYONE

TOMMY, messaging: does anyone know where the fortress is

RANBOO: I just stole blaze powder from HBomb and then paid him back for it

FUNDY messages TOMMY

FUNDY, messaging: ye

TOMMY: Oh, Fundy, we'll have to go speak to Fundy.

RANBOO: Ah, okay.

TOMMY: Okay, we can go back this way, I'll speak to him. I'll speak to him.

RANBOO: Yeah, yeah.

TOMMY: I'm a little pissed off at him 'cause he didn't really come with me when I got exiled. 'Cause everyone just kinda let it happen instead of-

RANBOO: Yeah, yeah.

TOMMY: He's not a real one, Ranboo.

RANBOO: Yeah, I didn't know what was happening, really.

FUNDY joins the vc.

TOMMY: Hi Fundy!

FUNDY: Hi

RANBOO: Hi Fundy

TOMMY: Whereabouts- where's the fortress?

FUNDY: I can get there walking, but that's probably the extent of it. I don't know the exact coords.

TOMMY: Oh, yeah, yeah, I'm in the nether. Can you- are we allowed- are we allowed to meet up?

FUNDY: Yeah, yeah! As long as I'm, you know- as long as it's not in L'Manberg, yeah.

TOMMY: Fundy, why didn't you come with me when I got exiled? I was meaning to ask you. 'Cause no one came with me.

FUNDY: No one came with you 'cause it was- I don't- ah... Tommy, I don't know. It was a shock to all of us.

TOMMY: You could have came with- yeah, but you just let me go. You just let go of me.

FUNDY: What, and just leave L'Manberg to Tubbo himself? Like, all alone?

TOMMY: No, he would have had literally everyone else on the server.

FUNDY: Like who?

TOMMY: Literally everyone. Where are you, Fundy? I'm in the netherhub.

FUNDY: Yeah, yeah, I'll come.

TOMMY: So how are you, Ranboo?

RANBOO: I'm doing- I'm doing alright.

TOMMY: Your eyes are still glowing, you know.

RANBOO: Yeah, they do, they do.

TOMMY: Yeah.

RANBOO: Yeah.

FUNDY: Tommy, do you have some food or do I need to take-?

TOMMY: Oh, I've got some food

FUNDY: Okay

RANBOO: Where did you get the food?

TOMMY fights a ghast, interrupting their conversation.

32:22

TOMMY: Okay, let's go get me some, what's it called, blaze powder. Do you have any blaze powder on you, Fundy?

FUNDY: I- I might have. Like a tiny bit.

TOMMY: If you do, please come to the nether. I'm not allowed back

RANBOO: Yeah.

FUNDY: Yeah, I figured, I'll come over. Just give me one second.

TOMMY: I just kinda have to stay here.

FUNDY: What do you need blaze powder for?

TOMMY: Oh, I wanna make an ender chest. But I wanna make it myself, I wanna make it myself.

FUNDY: That's fair, that's fair, that's fair.

FUNDY: But it is getting Christmas soon, so I could gift you an early Christmas present?

TOMMY: No, no, no, no. I'll do it myself, I'll do it myself. Thank you

FUNDY: Okay.

TOMMY: Thank you but not thank you. Can you just come through the nether 'cause I'm actually, I can't.

FUNDY: Yeah! Yeah, yeah, give me one minute. I just need-

TOMMY goes in F5.

TOMMY: Oh! Oh my god, Ranboo, I'm under the weather.

RANBOO: Yeah, yeah. I can see that.

34:43

TOMMY: So how's L'Manberg been whilst I've not been there?

FUNDY: I mean, L'Manberg has been... the walls are slowly disappearing, Tommy. The walls are slowly disappearing.

RANBOO: That's true.

FUNDY: We do- we do miss you, but I mean, the walls are kinda gone...

TOMMY: Well, you didn't- no one actually said hi to me when I joined, so I'd imagine not that much.

FUNDY: Eh everyone said it out loud, we just didn't type it. Typing is effort, and... you know how it goes.

TOMMY: How's, ehm, how's Tubbo been?

FUNDY: Tubbo's been...

TOMMY: What's new? What's changed in L'Manberg?

RANBOO: We have a grave.

FUNDY: Well, other than the walls; not that much. Other than the walls - the walls are slowly disappearing - other than that, not really much has changed. Tubbo's just been working on stuff.

35:33

FUNDY: I don't think you're gonna like it, but Dream is, ehm, kinda proud of Tubbo. He's actually acknowledging L'Manberg as a new country now.

TOMMY: What?

FUNDY: Well, I mean, Dream was never outspoken- like "hey, L'Manberg is seperate", but now he finally said it. He said he was proud of Tubbo and such for exiling you.

TOMMY: And what did Tubbo say?

FUNDY: He, ehm, he thanked him.

TOMMY doesn't answer but starts looking down into the netherrack.

FUNDY: But no, no, no, it might've- it didn't- it might've been sarcastic, just in the moment, you know?

TOMMY: It would have been, it would have been.

FUNDY: It must have been.

TOMMY: It must have been, it must have been. I'm sure.

RANBOO: Tubbo isn't one to just insult him immediately afterwards.

FUNDY: Yeah, yeah.

TOMMY: Yeah, no one's as confident as me.

RANBOO: Yeah, that is- that is true.

TOMMY: I mean, yeah, that's just- yeah.

RANBOO: Confident, yeah.

On the way to the fortress, TOMMY jumps down from big heights twice. These jumps cost him half his health each time. At 40:00, they find the fortress.

40:13

TOMMY: Alright, I've got this, I've got this. Alright, fellas. Fellas, fellas, fellas, listen to me. I'm a bit of a- I have killed Dream in the past, I know what I'm doing.

RANBOO: Alright.

FUNDY: Okay.

RANBOO: Dream have killed me in the past, so I have no idea.

TOMMY, who has hale bales in his inventory, jump down from a big height again.

TOMMY gets his hale bale ready, but doesn't attempt to MLG clutch, bringing him from full health down to two hearts.

RANBOO: You need to stop falling, you're gonna-

TOMMY: It's okay.

RANBOO: You're gonna forget how much health you have.

TOMMY: I keep trying, and then I keep missing.

FUNDY gives TOMMY a fire resistance potion

TOMMY: Oh!

FUNDY: I got you, I got you

TOMMY: Alright, guys, I'm ready

TOMMY, RANBOO, and FUNDY go in to get blaze rods. TOMMY walks through lava because he has fire resistance. He insists on doing everything himself, despite FUNDY and RANBOO both having swords with looting. When he's gotten the blaze rods he needs, they walk back. He goes into the lava before remembering that the fire resistance soon runs out a couple of seconds after. He runs out and eats to not die.

43:51

TOMMY: Alright, we're good, we're good.

RANBOO: Alright, you're fine. You probably shouldn't go back- okay.

TOMMY: No, no, I'll be good.

RANBOO: Yeah, you'll be fine, you'll be fine.

TOMMY: I'm feeling much better now, I'm feeling much better now. You know- I'll be honest with you two, at the start of today I was feeling a little rough, not having seen anyone for an entire day.

Everyone being on, and being alone. But now I'm feeling much better - thank you, guys, thank you.

FUNDY: Yeah!

TOMMY: Shall we head back?

RANBOO: Sure, sure

FUNDY: Yeah, let's head back

TOMMY: Well, how do I get home?

FUNDY: I have never actually seen your place, so I would love to see it.

TOMMY: Oh yeah, you're more than welcome to come over.

RANBOO: It's only lasted for, like, two days- it's only been there for two days.

RANBOO: Why aren't you running through lava again, Fundy? - Oh, there we go

TOMMY: Yeah, I'm not doing that.

TOMMY falls into lava and dies.

TOMMY respawns back at the exile base, FUNDY and RANBOO assuring him that they saved the blaze powder and obsidian. TOMMY waits for them in the nether by his portal, making himself new gear (armour and diamond tools), while waiting for them.

47:27

TOMMY: Oh, I lost- oh no! I lost the photo of the Christmas tree

49:11

TOMMY accidentally turns on the game narrator.

TOMMY: My game just started talking to me. It's going insane

TOMMY: Oh, wait wait, I could talk to the narrator! Then I'd finally have a friend

TOMMY types in chat: Hi

NARRATOR: TommyInnit Hi

TOMMY: Hi!

RANBOO: Oh, he's started- he's talking to the narrator

TOMMY types in chat: How are you

NARRATOR: TommyInnit How are you

TOMMY: I'm good!

RANBOO: Jesus

TOMMY types in chat: Im good to

NARRATOR: TommyInnit Im good too

TOMMY sees FUNDY and RANBOO at the bottom of the bastion, he jumps in intervals from the top. He ends on two and a half hearts, quickly eating.

TOMMY: Guys! Hello my friends!

RANBOO: Ohh, hi!

TOMMY: I just fell

FUNDY: Oh, hi!

TOMMY: I took so much damage so I could see you guys. Can I have my things back, please?

RANBOO: Yeah, you need to stop falling

TOMMY: Please tell me you have my blaze powder

FUNDY: Yeah, yeah

TOMMY: No, that's glowstone

RANBOO: Fundy, that's glowstone. Fundy.

TOMMY types in chat: Its okay Tommy. youre going to be okay

NARRATOR: TommyInnit Its okay Tommy. youre going to be okay

TOMMY: Thank you, me!

FUNDY: Alright, I can give you some of personal stash. There you go

TOMMY: Oh, thank you

RANBOO: Give us the tour of your place

FUNDY: Have you seen it yet, Ranboo?

RANBOO: I have not, actually

51:50

They look for the portal back. TOMMY is in front, looking. He can't find it up above so he jumps down to the roof of the bastion; going from full health to three hearts. TOMMY previously took off his armor.

RANBOO: You need to- how is he still alive? How are you still alive?

TOMMY: That way!

FUNDY: Not for long

TOMMY: Don't worry, I don't die

RANBOO: Oh, wait, it's up there! See, the wood? Right over there. So we went the wrong way- oh, wait, oh pearls, that's right. That is a thing.

TOMMY: I don't die, guys. I'm too happy

RANBOO: Yeah.. you're too happy to die

TOMMY: Oh my god, home!

56:53

TOMMY: Come with me, come with me, everyone. I've got a present for you all

RANBOO: Wait, why is there like a nice house in this?

TOMMY: Oh yeah, it's lovely, isn't it? It's where Ghostbur built me. Come, come, and listen to my new disc. Describes how I'm feeling

RANBOO: True

FUNDY: Does it?

57:34

TOMMY: Look, guys, this is the song of a female astronaut named Clara

FUNDY: Oh... okay.

TOMMY: It just reminds me-

RANBOO: What does she do?

TOMMY: Eh, she works.

RANBOO: Oh.

TOMMY: This is my home.

FUNDY: Right.

RANBOO: Alright

TOMMY: This is- over here, this is Logsted. I've just- I'm only- we're in construction at the minute.

RANBOO: Yeah, yeah, that's understandable.

TOMMY: Anyway, guys, I ehm... I reckon it's time for you to leave.

RANBOO: Oh

FUNDY: Oh.

TOMMY: But thank you guys so much for your assistance.

RANBOO: Yeah!

FUNDY: Yeah, yeah, alright.

RANBOO: Alright.

TOMMY: I don't wanna waste anymore of your time

FUNDY: No!

RANBOO: That's okay

FUNDY: That's fine. Do you have anything else to show or like...?

TOMMY: Not really

FUNDY: That's just it?

TOMMY: That's Logsted, it's coming along well. I've got lots to do

FUNDY: Oh yeah

RANBOO: Seems like it's coming along well

FUNDY: It's coming along well, it looks nice.

TOMMY: Yeah, guys, I've got to- oh, you made a full set of iron armour, thank you.

FUNDY: Okay.

TOMMY: I'm currently in the process of moving

RANBOO: Where are you going to move to?

TOMMY: From this chest to the barrels.

RANBOO: Ah

FUNDY: Ah

TOMMY: But I need to go get some obsidian 'cause I've almost finished my goal of the day.

FUNDY: What is your goal of the day?

TOMMY: Ehm - why do you guys sound so sad - ehm, yeah, yeah, ender chest.

FUNDY: I mean, I'm pretty sad 'cause I didn't have a badass tour of your nice, little Logstedshire.

TOMMY: Well, that's it, Fundy, that's it.

FUNDY: That's it. I'm just a little bit surprised, I'm just a little bit surprised.

TOMMY: What's there to be surprised about?

1:32:03

GHOSTBUR: Tommy!

TOMMY: What's up?

GHOSTBUR: Hi!

TOMMY: Hi?

GHOSTBUR: I- I wanted to give you something.

TOMMY: What did you want to give me?

GHOSTBUR: Hold on, hold on. Look, Tommy, I've got you a gift. Tommy?

TOMMY: Hello? What? I wasn't expecting you to give me a gift

GHOSTBUR: No, you almost left before I gave you my stream. I've been waiting for you to get on, and then HBomb wanted to do a fishing thing so I went and did that, and- hold on, I'm coming.

TOMMY: Okay...

GHOSTBUR: You're gonna like this gift. I think you're gonna really appreciate it. So do you remember yesterday? It was a good day yesterday, I very much enjoyed it. I got to hang out with Dream and Sapnap, they were-

TOMMY: Oh yeah, they were, eh...

GHOSTBUR: They were very nice.

TOMMY: They're okay

GHOSTBUR: So we hung out with them, and they were really kind to us, and they helped us out a lot. And one thing, one thing that mr. Dream said, alright - that really stuck with me, TommyInnit, was that I should be the messenger, right? Your messenger between you and L'Manberg, right?

TOMMY: Yeah, I'm- where are you, Wilbur?

GHOSTBUR: I'm coming to you through the nether, hang on

1:33:32

GHOSTBUR: And I decided, right, I thought "TommyInnit... what does he like?", and I thought, "he likes women, he likes eh-"

TOMMY: Have you brought me a woman?

GHOSTBUR: No, I tried, but they're not as keen on you as you are on them

TOMMY, who's been walking around the roof of the bastion, walks to the edge, staring down into lava.

TOMMY: That's not true

GHOSTBUR: I left them where I found them. But I thought, "what else does TommyInnit like? He likes the discs" - I couldn't get you the discs. I did try. And I thought "what else does Tommy like? He likes pasta", I assume you like pasta. I wasn't entirely sure, but I wrote it down. I have a list now of the things that you like, and I'm just trying to remember them-

TOMMY: Well, what is it that you brought me? I'm here, Wilbur, where are you?

GHOSTBUR: I'm coming, I'm coming to Logstedshire, right?

TOMMY: What, are you getting through the nether? I'm at the bastion

GHOSTBUR: No, Logstedshire, Logstedshire.

TOMMY: So I should just go to Logstedshire?

GHOSTBUR: Yeah, yeah. It's where I am just now

TOMMY jumps in the lava so he respawns back in his tent.

GHOSTBUR: Oh, that is one way to travel around faster. You're a bit of a fast traveler.

TOMMY: Hello!

GHOSTBUR: Hi! Where are you-oh!

TOMMY: I haven't looked you dead in the eyes today

GHOSTBUR: Come here, come here. Look, look.

GHOSTBUR: So I thought "what else does Tommy like?", alright? What does TommyInnit- what's he a fan of, okay? He likes democracy, that's another thing I had down- your shirt's looking a bit-

TOMMY: Yeah

GHOSTBUR:- looking a bit worse for war.

TOMMY: I've had a rough few nights.

GHOSTBUR: It's okay, come in here, right. Stand here, right. I want you to get ready for this, you're gonna like this gift.

TOMMY: I'm ready

1:35:05

GHOSTBUR: So I thought "What does Tommy like?" His favourite thing in the whole wide world-

GHOSTBUR throws an item at TOMMY. He picks it up. It's a compass named "Your Tubbo".

GHOSTBUR: -is Tubbo!

GHOSTBUR: Tommy, I- I know you really, really like Tubbo, and I know you really, really miss him. So I went out of my way and I made you this, it cost me like one netherite and loads of iron and stone. And it basically points you in the direction of Tubbo at all times - more specifically, L'Manberg, Tubbo's White House. It points you right towards it at all times, so no matter where you are in this bitch of an earth, you'll know exactly where Tubbo is.

GHOSTBUR: And I thought, you'd really, really appreciate that.

TOMMY: Thank you

GHOSTBUR: No problem
