

21-22 ParentLink Message Archive - Woodbury Middle School

These are ParentLink Messages that have been sent to all Woodbury families. Messages sent to limited groups of students for various things (fines, immunizations, etc.) are not included here.

August 27, 2021

Good Afternoon Longhorn Families,

CCSD has updated its face mask guidance - and while this information has been pushed out to families centrally, we also wanted to ensure you had the information directly from us.

Please note specifically that:

- Face masks with one-way valves or vents are not allowed unless covered with a cloth face mask (one-way valves allow air to be exhaled through the valve).
- Face masks are recommended to be made with multiple layers (current recommendations are two layers of tightly woven cloth (cotton preferred) and one layer of synthetic material that can be repeatedly washed).
- Standard face/neck gaiters (minimal filtration) and bandanas, which do not correctly cover the nose and mouth, may only be worn if layered.
- Face shields are not a replacement for face masks, given concerns over their inability to minimize droplets spread to others. A surgical or cloth mask must be worn under a shield unless an accommodation has been granted.

To read the entire Face Mask Update, please [click this link](#) or download the attachment.

Thank you for your cooperation.

Woodbury Families:

This is Lakeisha Young, Principal at C. W. Woodbury MS.

Today we learned an individual at our school tested positive for COVID-19.

CCSD is prohibited by federal law from revealing the identity of the individual; however, the District is working in collaboration with the Southern Nevada Health District (SNHD) to perform the necessary contact tracing. A close contact is someone within six feet for a collective 15 minutes. Mask mitigation practices may be used to determine specific quarantine dates and exposures. Any individual in close contact needs to quarantine for 10 days.

21-22 ParentLink Message Archive - Woodbury Middle School

These are ParentLink Messages that have been sent to all Woodbury families. Messages sent to limited groups of students for various things (fines, immunizations, etc.) are not included here.

If the school or the SNHD has not directly contacted you, your child has not been identified as an individual with a close contact. All others may be considered a low-risk exposure, similar to an exposure in the community (e.g., shopping, gathering, events).

CCSD has taken precautions in accordance with re-opening plans to limit the risk to others. This includes cleaning and disinfecting the entire school as well as rules regarding social distancing and guidelines on the use of personal protective equipment.

Out of an abundance of caution and transparency, we are notifying all students and staff of the following:

- While low-risk exposure does not require a test, any family may seek community testing at the available sites throughout our community.
- It is important to be mindful to continue pre-screening for any symptoms and possible community contact.
- If any students are participating in outside activities, they are asked to be diligent in following current, best-practiced mitigation methods for the safety of our school and students.

CCSD reminds everyone that if they have symptoms (i.e., new fever or chills, new or worsening cough, shortness of breath, new loss of taste or smell, new or worsening headache, new or worsening muscle or body aches, new nasal congestion/runny nose, excessive tiredness, excessive loss of appetite, abdominal pain, vomiting or diarrhea), to stay home.

Hello Woodbury Families,

Next week marks our first round of MAP testing for all students. It is important that students have their Chromebooks with them (as they should every day) fully charged and ready to go! They will be testing in the Math and ELA classes. This is a required assessment and is taken 3 times during the school year. Teachers use this data to modify instruction based on where students are and where they need to be. By the end of the year, we have an accurate picture of how students have grown academically!

In addition, it is important to remind all families of the importance of monitoring your child for symptoms of COVID - and ensuring your child has a clean mask that covers the nose and mouth every day. Do not send students with COVID symptoms (fever, headache, runny nose,

nausea/vomiting, diarrhea, new loss of taste or smell, shortness of breath or difficulty breathing, muscle pain, congestion, fatigue, sore throat, chills, cough, etc.) to school. This helps to prevent spread of the disease to others. Please view the attachments for more information.

As always, if you have questions or concerns, reach out to the appropriate department for assistance:

Chromebooks: Ryan Dwyer - dwyerrd@nv.ccsd.net

Registration: Robin Ziembo - 799.7660 ext.4065

COVID/Health Office: Mary Whited - 799.7660 ext. 4022

MAP Testing: Your child's ELA or Math teacher (contact info is on our [school website](#))

Hello Woodbury Families!

We have made some additions to our Woodbury Wire newsletter for the [Back-to-School Edition](#) that we sent out earlier this week. Please [read it](#) carefully. It includes everything you need to know for the first day.

Please be aware that Virtual Open House is tonight (all that info was/is in the [newsletter](#))! In addition, students who are non-compliant with school-required vaccines will be unable to attend school until they are compliant. (Vaccine clinic info was/is in the [newsletter](#))!

This is packed full of information. Please take the time to read it! If you need to translate it, there is a built-in translation tool when you view it on the computer. :)

We can't wait to welcome all of our Longhorns back in Standard Student Attire with Masks on!

Hello Woodbury Families!!

We invite you to attend our VIRTUAL Open House this Friday, August 6 at 5 p.m. There will be 3 separate presentations occurring live at the same time - one for each grade level. Each presentation will be recorded for those who cannot attend, or for those who have students in multiple grade levels.

You have multiple ways to join in the Google Meet for your grade level - via viewing the LiveStream, via the actual Google Meet, or via Phone. All the details you need are listed below.

We hope to see you there!

6th Grade Presentation

July 27, 2021

Hello Woodbury Families!

ALL CCSD STUDENTS WILL BE ASSIGNED CHROMEBOOKS for the 21-22 school year, as all curriculum is now housed within the Canvas Learning Management System even through instruction at Woodbury is in person.

In follow-up to the message we sent you in June, **you need to ensure you have completed the TWO REQUIRED STEPS to be able to pick up a Chromebook at our upcoming Chromebook Distribution events.**

All parents will need to have completed the follow steps for their student(s):

21-22 ParentLink Message Archive - Woodbury Middle School

These are ParentLink Messages that have been sent to all Woodbury families. Messages sent to limited groups of students for various things (fines, immunizations, etc.) are not included here.

1. [Online registration for the 21-22 school year](#) (this process must be completed every year); and
2. Satisfactory completion of the [Woodbury Technology Agreement](#) form.

Our Chromebook Distributions will be drive through events August 2, 3, and 4. The attached flyer has all of the information you need. Please read it carefully to ensure you have all of the steps followed. This will ensure you have a smooth pick-up process.

FINAL Event Dates and Times:

8/2 - 10:30 AM - 1:30 PM

8/3 - 12 - 3 PM

8/4 - 3:30 - 5:30 PM

July 6, 2021

Greetings Woodbury Families,

The Southern Nevada Health District (SNHD) will be on campus offering free COVID and Back to School Vaccines. Please see the attached flyer for dates and times. The flyer will also be posted on the Woodbury website. Thank you and GO LONGHORNS!
