

Save Dreamland!

To: The Secretary of State for Communities and Local Government.

We the undersigned:

1. Express our full support for the proposals of Thanet District Council and the Dreamland Trust to comprehensively regenerate the Dreamland site in Margate to provide a Heritage amusement park with ancillary visitor parking, and secure the complete refurbishment of the Grade 2* listed Scenic Railway and essential repairs to the Grade 2* listed Dreamland Cinema.
2. State that the proposals for the development of Dreamland by the current owners, the Margate Town Centre Regeneration Company Limited, do not comply with local planning policy, nor will they secure the comprehensive regeneration of the site.
3. Further state that given the wholesale neglect of the site and its heritage assets by the current owners, we have no confidence in their ability or intention to regenerate any part of the site in the current economic climate.

And therefore, we call upon the Secretary of State to confirm without modification the Compulsory Purchase Order made by Thanet District Council in respect of the Dreamland site.
