

## نشاط التطبيق

### طلب في مطعم (مغربي)

Now it's your turn to do the Can-Do Statement! The purpose of this activity is for you to try doing the Can-Do Statement using what you've learned and prepared in the previous stages and then to reflect on what you still need to work on to do the Can-Do Statement.

#### Can-Do Statement:

##### Part 1: Prepare

Prepare a script for ordering food in a restaurant in Rabat, Morocco. Include questions from the waiter (نادل) and possible responses from the customer (زبون)!

##### Part 2: Do

With a partner, have one person take the role of the waiter (نادل) and one of the customer (زبون).

النادل: Make sure to not have at least one item the customer orders, but offer them a substitute

الزبون: Decide what you will accept a substitute

Report on your conversation in the chart below:

|  |              |
|--|--------------|
|  | الزبون يريد: |
|  | النادل عنده: |
|  | الزبون يطلب: |

Then, redo the conversation but switch roles! (Whoever was the customer now becomes the waiter).
