Tuesday, November 7, 2023

5:00 pm MST- 6:30 pm MST

Zoom <https://isu.zoom.us/meeting/register/tZYocuGtqTojH9Y3Udh7KgoH68AkGkiUFR1>

Materials Needed:

[Slides](#)

Printing Recommendations: If you're one who prefers paper copies, take a look at the activities and documents below, some are readings, video transcripts, etc.

5:00 Reflection from October Collaboration

- Open the [jamboard link](#) to answer the following (write on your grade level tab)
 - How did you make and use Standards Walls in your classroom?
 - How did you address any hurdles when making your standards wall?
- [Standards Walls Slides](#) - Add your photo

5:10

Starter - Auction

- ["Is this Proportional?"](#)
- Randomly assigned breakout rooms to strategize (10 minutes)
- Bidding begins

5:35 Teaching & Learning Instruction

Learning Focus: Just in Time Learning: Building Background Knowledge and Progressions

1. What are the prerequisite skills needed for our new learning?
2. Who needs those prerequisite skills?
3. Where/When will we teach those skills?

5:50 Taking Action

Pick one task for tonight's work

Move to grade level breakout room (for support/ collaboration to discuss ideas)

Task 1- Using the [Achieve the Core Coherence Map](#)

1. Select the grade level standard(s) you will teach
2. Determine the focused prerequisite standard

Task 2- Using the Connections Playlists from [smartertoolsforteacher.org](#)

1. Select the grade level standard(s) you will teach

(skills) students will need to be prepared to meet the grade level standard

3. Find resources to use to teach Just in Time Intervention to students

2. Determine the focused prerequisite standard (skills) students will need to be prepared to meet the grade level standard
3. Find resources to use to teach Just in Time Intervention to students
