

The address for your new apartment is:

**143 Albany Street, Apt # (as indicated in your confirmation email)
Cambridge, MA 02139**

Edgerton House is designated as an apartment building through the United States Postal Service (USPS). Therefore, the USPS delivers your mail directly to your mailbox in the lobby of your on-campus building. There is one mailbox per apartment. This means that if you live in a two, three or four bedroom apartment, all mail goes into one mailbox. It is important that you include the apartment number with your mailing address.

Reminder: DO NOT ship any items before your scheduled move-in date. Your building will not store packages shipped before you move into your assignment and cannot take responsibility for packages that arrive before a resident has moved in. **Early packages will be returned to the sender.**
