This month the walk commences at the Tim Neville Arboretum in Ferntree Gully off Dorset rd. Park in Francis cres. at 10.15. There are a series of ponds in the park and lots of lovely trees. We then follow the Blind Creek Trail towards Boronia. Walk will be around 4 km with a shorter walk for some.

There are toilets at the park and seating along the trail which is well treed. Lunch is at the Dorset Gardens Hotel.

Lifts are available if required. Let me know.

If rain is threatened please contact me, as always a light drizzle will not stop us.
