

Date: Last Week of January; Jan 30th.

Idea: Going through a student's day with them performing scenarios

- Sort of like a "Pick your own adventure" story.

Characters: Student, friends, family, teacher(s)

Setting: School, Home, Extracurricular Classes,

Questions: Should Character A do this, or do that? (Should we give the characters names?)

- What could be the possible consequence of this action? Who would it affect?
- If they did something different what could have happened?
- What type of thoughts, desires, or feelings could have led to this action?

Theme/Main Idea: Dharma and Karma.

- Cause and Effect

Time Lapse: Full Day; Everyday situations (Doesn't have to be one day)

How to get the audience to interact:

- Have people in the audience prepared; 4-5 people max.

Situations:

-
