Editor Job Description

Lotus Pictures is seeking a highly motivated and creative Editor to join our post-production team. This role is designed for a proactive thinker who can execute projects with precision and technical expertise. Successful candidates will be effective communicators and experienced multi-taskers, maintaining an unwavering attention to detail while advancing our creative storytelling across projects.

Key Responsibilities

- **Editing & Revisions**: Execute precise edits and revisions on a variety of projects, ensuring high-quality output.
- **Creative Leadership**: Demonstrated ability to lead creative direction and conceptualize visual narratives.
- **Workflow & Briefings**: Closely follow project briefings to understand technical and creative direction, maintaining alignment with project goals and deadlines.
- **Technical Implementation**: Manage video codecs, resolutions, and frame rates to ensure all final assets meet technical specifications.
- **Collaboration**: Work closely with the production team to facilitate feedback and implement necessary changes throughout the post-production cycle.

Qualifications & Experience

- **Experience**: Proven experience as a video editor, working on a range of video content.
- **Creative Aptitude**: Strong attention to detail and ability to interpret creative briefs into visual narratives.
- **Soft Skills**: Ability to be flexible, multitask, and work well under pressure; strong communication skills.
- **Technical Proficiency**: Extensive knowledge of Adobe Suite (Premiere Pro, After Effects, Photoshop) and Google Workspace (Docs, Sheets).

Position Details

- **Location**: Remote (U.S. based candidates only. Candidate must be available to work East Coast hours).
- **Equipment**: Must have a reliable high-speed internet connection (Mac users preferred).
- **Type**: Freelancer.

Application Process

- **How to Apply**: Complete the application form HERE.
- **What to Expect**: Please allow 2-3 weeks response time from the time you submitted your application. There is no need to email or send additional follow-ups requesting updates on the status of your application.
- **Before You Apply**: This role requires availability during U.S. Eastern Time business hours and the ability to receive payment via ACH transfer. If that doesn't apply to your situation, this role may not be the right fit at this time.
