Business, Education and Labor Committee

Promote and recognize partnerships between business, education and the labor force for WorkAbility I programs at the local, regional and state levels.

BEL Committee Announcement

BEL Newsletter Articles due December 10th, 2021!

Get your story in the BEL Newsletter!

The BEL Committee is accepting articles for the spring 2022 edition of the ***BEL Newsletter***. Please consider submitting an article and picture highlighting that unique student and employer. We want to know all about the student that amazed you with their excellent work skills and progress through the WorkAbility I program. Share your experiences in the BEL Newsletter!

Be sure to get a signed Release from student, parent, and employer to send in with your picture and story.

Thank you for your support and keep those stories coming! If you have any suggestions or ideas for the newsletter, please feel free to contact me, or your local Region BEL Representatives.

Thank you!

Heather Humphrey
