

Thursday Night Potluck Signup

Hi Sailors! We're looking forward to spending time with the community on Fred's Deck for a potluck after each of our Thursday night races! This year, we're looking for volunteers to own one of the 12 following dates.

Here's what it entails:

1. Bringing a main course to share with the community
2. Including in your signup what you plan to bring (your "theme")
3. Prepping, hosting, and ensuring the dock is cleaned up and left as found

After you sign up, you'll get an email from the board with some additional information and theme ideas (just for inspiration).

Thank you in advance for helping to make this community *thrive*!

For everyone - Even if you aren't hosting - please bring a side dish each Thursday to share and supplement the meal! Drinks, dessert, side, sweet, or salty - you decide!

P.S. If you alone don't want to float "hosting" one night, get your whole crew involved! Just make sure it's all h
