DECISIONS:

The following rules for the Kansas State Fishing Club Five Fish Benefit Tournament will be interpreted solely by the tournament director. The director reserves the right to reject any entry he feels is not in the best interest of the Tournament. Any announcements made by the tournament director at the tournament site take precedent over written rules. All decisions of the tournament director are final.

Safe boating must be observed at all times. Life jackets and kill switches must be used any time the combustion engine is running above idle speed. At the discretion of the Tournament Director, tournament days may be shortened, re-scheduled, or canceled due to unsafe weather or water conditions. During the event hours, no alcoholic beverages or drugs (other than those purchased over the counter or prescribed by a licensed physician) are allowed in the boat. Running Lights must be on and working, unless tournament director decision is otherwise. If they do not work, the tournament director will release the boat that doesn't have functioning lights when they feel it is safe enough. Boat owners must carry boating liability insurance. Proof of insurance may be asked for at any time.

Any person who has been disqualified from any prior tournament may be subject to being refused entry into tournament. If a contestant is disqualified for rules violations, all other contestants in his/her boat will be disqualified.
