

May Release

I am seeking IOUs for hatchies from the May release (starting on the 22nd). I will accept these IOUs for any trade that I have up. Here's what I need:

I collect eight cbs of each gender. I only expect two from each person that I trade with. They should be m/f influenced. If we make an agreement, your IOU will be marked here, not on my primary IOU list for convenience sake.
