

Story

Engie doing an experiment, scene about administrator. Spy asking scout if he is a virgin and teaches how to get woman. They both become magnificent. Scout dresses up like a gentleman and asks pauling out. Pauling asks if scout is having prom (such a bitch) (something happens). They go out on a date and action scenes start. Loaf from lecture valley turns into a monster with tentacles.

SOMEONE, OR SELF DESTRUCT DESTROYS THE MONSTER AND SAVES THE DAY.

Scout does something brave?

Soldier does the final speech

SFM sound line leaks.
