|                                                                                                                                |
|--------------------------------------------------------------------------------------------------------------------------------|
| Address: 2405 NM-338, Animas, NM 88020                                                                                         |
| Cost: \$33/day                                                                                                                 |
| Best Sites:                                                                                                                    |
| Body of Water:                                                                                                                 |
| Phone: 575 386 5886                                                                                                            |
| Reservations: <a href="http://hipcamp.com">hipcamp.com</a> <a href="http://smugglersroost.net/">http://smugglersroost.net/</a> |
| Campground Environment: Windy & dusty                                                                                          |
| Toilet: Yes                                                                                                                    |
| Showers: Yes                                                                                                                   |
| Power Hookup: Yes                                                                                                              |
| Water & Sewer Hookup: Yes                                                                                                      |
| Laundry: Yes                                                                                                                   |
| Trails: Open area for the dogs, but still on-leash                                                                             |
| Campsite Space: Reasonable                                                                                                     |
| Other: Not that enjoyable due to the exposed site to the wind & dust.                                                          |
| We booked for 5 nights, but left after one night                                                                               |
| Not a great spot, if you want to spend time outside, although full amenities                                                   |
