

All Currency Converter Privacy Policy

This privacy policy sets out how All Currency Converter uses and protects any information that you give when you use this app.

All Currency Converter may change this policy from time to time by updating this page. You should check this page from time to time to ensure that you are happy with any changes. This policy is effective from May 25, 2018

We may require certain uses permission to use this app

```
<uses-permission android:name="android.permission.ACCESS_NETWORK_STATE" />  
<uses-permission android:name="android.permission.INTERNET" />
```

App required ACCESS_NETWORK_STATE & INTERNET Permission to use this app.

Why do app need these permissions

App needs to connect with Internet to load the Live Currency Exchange rates from server to show Current rates in the app which required these permissions.

Links to other Apps

Our App may contain links to other Apps of interest. However, once you have used these links to leave our site, you should note that we do not have any control over that other App. Therefore, we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by this privacy statement. You should exercise caution and look at the privacy statement applicable to the App in question.

Controlling your personal information

We don't collect any user's personal information. So feel free while using All Currency Converter app.
