

Lightsaber Meetup - Saturday, March 26th at 8:45 PM

Star Wars: Galaxy's Edge at Disney's Hollywood Studio

Join us Saturday, March 26th for another lightsaber meetup! We will meet at 8:45 PM ET at the TIE Echelon. Please arrive promptly, as photos may start any time after 8:45.

Once photos are complete at the TIE, we will take photos at the Millenium Falcon as soon as the Disney Parks team gives us clearance to move.

While a single file line isn't necessary, please keep your group together and move to the Falcon in an organized line. This also gives our photographers another opportunity to get amazing photos as your move passed Oga's Cantina.

We typically move to the Falcon after park close, but guests may still be exiting Smuggler's Run. We kindly ask that both sabers and spectators avoid blocking the Smuggler's Run exit. Please keep a clear path for other guests to safely leave the area.

Depending on the size of the group, we may split for separate lightside and darkside photos in front of the Falcon and TIE respectively. Once those group photos are done, the darksiders will then rejoin the lightsiders at the Falcon for more group photos.

Please follow instructions from all SWGEDiscord volunteers as well as all Disney Parks cast members. Our volunteers will help line you up at each location, give instructions on different photo poses, and provide crowd control for both sabers and spectators.

Look for volunteers wearing SWGEDiscord shirts, buttons, and other official identification.

All lightsabers are welcome as long as they are not actual weapons. Per Disney Parks requirements, blasters are not allowed. We also encourage Batuu Bounds and other appropriate clothing as long as it meets the Disney Parks restrictions on costuming.

This lightsaber meetup is completely free but does require admission to Disney's Hollywood Studios.

Here are a few reminders specific to this meetup:

- If you feel sick, we strongly suggest that you stay home.
- Lightsaber dueling is **strictly prohibited**, and we will ask offending guests to leave.
- Meet in the courtyard by the TIE Echelon promptly at 8:45 PM.

- Please do not gather early, as it makes non-saber meetup guests think there is a show. If you are hanging out, please consider the marketplace, the garage, or the pathway leading off-world.
- Depending on how many beings come, we may need to break into smaller groups.
- Volunteers will wear SWGEDiscord volunteer name tags, green shirts, and glow bracelets.
- SWGEDiscord staff will wear green Discord logo shirts, buttons, name tags, and glow bracelets.
- As always, please be kind and respectful of Disney cast members, SWGEDiscord volunteers, other saber meetup guests, and any special guests.
- If you see something or feel uncomfortable, please talk to a SWGEDiscord volunteer.

If this is your first lightsaber meetup, here is what you can expect in terms of the photos:

- Photos start shortly after the stated meetup time and usually take about 30 minutes. The exact amount of time will vary depending on the number of guests and other factors.
- We will have SWGEDiscord photographers at the TIE Echelon and the Millennium Falcon.
- Disney's Photopass photographers are usually only stationed at the Millennium Falcon.
- We start with full group photos in front of the TIE Echelon.
- Lightsiders then move to the Millennium Falcon for Lightside group photos.
- At the same time, Darksiders stay at the TIE Echelon for Darkside group photos.
- Once both groups finish, Darksiders move to the Millennium Falcon for full group photos.
- There are opportunities for individual photos once we finish with all group photos.
- We kindly ask that spectators wait until both SWGEDiscord and Disney's Photopass photographers are done before taking photos. SWGEDiscord volunteers will direct when you can take your photos.
- Codes for the Disney's Photopass photos will be available later that evening.
- Photos from SWGEDiscord photographers are usually available within a few days. The added time is needed to process their photos so they look amazing.
- Disney's Photopass codes and links to the photos from our photographers will get posted on the SWGEDiscord, the SWGEDiscord Facebook Event and Group pages, and the SWGEDiscord Twitter and Instagram accounts as soon as possible.
