

FAQ

Can we bring cupcakes for a child's birthday to school?

Yes, you can bring cupcakes but we would rather you order them through school so anyone with restrictions or allergies are taken into consideration. To order cupcakes you need to purchase a voucher on blackbaud and then email lstecken@lfca.com at least 3 school days before you want the cupcakes.

How are allergies monitored?

We have a sheet that has all of the children with food allergies listed on it. We check it as we are filling out lunch tags for the day.

Are you able to heat up lunch for a child?

No, due to the limited staff and the high traffic in the kitchen during lunch hours we are unable to heat individual brought lunches.

Can anyone sign up for extra food or drinks?

Everyone is able to sign up for extra drinks. Only 5th through 8th will be allowed to sign up for extra food. If you do not want your child signing up for any extras or set limitations please email lstecken@lfca.com. We will do our best to make sure your child doesn't buy extras if you don't want them to. If you have a younger child and you want them to be able to sign up for extra food please email lstecken@lfca.com.

We are excited to get this new year started! If you have any questions you can contact Lindsay Stecken at lstecken@lfca.com.
