

## **Principal's Report October 17, 2022**

### **Charter Goals**

**Goal #1** Show an annual increase in the percentage of graduates that are college and career ready as defined by the state.

**Goal #2** Show an annual increase in student participation in additional rigorous coursework through positive relationships, community-building activities, family engagement, and student support.

**Goal #3** Show an annual decrease in the achievement gap for historically underachieving populations (SPED, ELL, socio-economically disadvantaged, and minority students).

#### **Oh Captian, My Captian**

Way to go, Coach McKoy! Hopefully, Luca Brown, guest Team Captain from HVES, will put us over the edge when we face Lucy Beckham High School in our final game of the season on October 28 (region championship?).

### **JI Football Surprise**

#### **Hispanic Organizing Promoting Education (HOPE Club)**

Mrs. Quinn and Ms. Rivera started the HOPE Club, which supports and celebrates our Hispanic students. Ms. Quin, Ms. Rivera, the World Language Department, Mrs. Ballard, and the students planned our first-ever Hispanic Heritage Month celebration. They did a tremendous job.

#### **College Board Testing Day- October 12, 2022**

On this date, 368 sophomores and juniors took the PSAT. One hundred twelve seniors took the SAT. In total, 481 students were tested. The tests take nearly five hours to administer and complete. Students not testing worked asynchronously from home. The Media Center and Cafeteria were available for students that needed to attend school and were not tested.

#### **Be The Light Event**

Getting involved and connected with others in school is one of the best ways to support students socially and academically. To improve student social and emotional health, Ms. Ahrens and Ms. Brandon planned Be The Light Event during the second period and ILT on September 28. The goal was to showcase the clubs and programs that students can participate in school beyond the classroom.

### **Charter Goals**

The Leadership Team is currently working on goals and action plans for our charter goals. We are now doing a Deep Data Dive led by our new Testing Coordinator/Instructional Data Coach. From the data, we will create SMART goals and action plans. We will present these plans at the November board meeting.

### **State Report Card**

The release of the State Report Card results was pushed back to October 17, 2022. For the first time since before Covid, schools received numerical scores. JICHS once again earned an "Excellent Rating." The majority of points are based on student achievement data. This is a tremendous accomplishment for students,

staff, board, and community. Below is our report card data and a link to the SCDE Report Card page. JICHS compared well with some of the top high schools in South Carolina.
