

DL₄21 Professional Growth Option:
PLC/Research Group
5 points per semester

Purpose	Allow for educational research and discussion of best practices
Teacher Requirements	Teacher(s) complete the following steps: 1. As a group, establish goals and form 2-3 questions to research. 2. Research group topic(s) to identify best practices. 3. Discuss research at monthly meetings (face-to-face or virtually).* 4. Practice implementation of practices and/or sample lessons. 5. Design a way to communicate best practices to a larger audience (examples: content team, faculty meeting) * Minimum of 3 meetings within the semester
Leader's Role	1. Guide the group development of goals and research questions. 2. Create a meeting schedule and deliverables for each meeting. 3. Support the delivery of information to a larger audience. 4. Award points in TeachPoint.

Elements of Quality Research
