JESSE - Janis Ian

VERSE 1:
C **Em7/B**
Jesse come home, there's a hole in the bed where we
Edim/Bb **A7**
slept; now it's growing cold.
Dm **Dm/C**
Jesse your face in the place where we lay by the
G7 **C** **E**
hearth all apart it hangs on my heart
A7 **Dm**
and I'm leaving the light on the stairs
Dm/C **G7** **C** **A7**
No I'm not scared; I wait for you, hey
Dm **G7** **C**
Jessie it's lonely come home

VERSE 2:
C **Em7/B**
Jesse the stairs in the halls, recalling
Edim/Bb **A7**
Your step; and I remember too.
Dm **Dm/C**
All the pictures are shaded and fading in grey
G7 **C** **E**
And I still set a place on the table at noon
A7 **Dm**
and I'm leaving the light on the stairs
Dm/C **G7** **C** **A7**
No I'm not scared; I wait for you, hey
Dm **G7** **C**
Jessie it's lonely come home

VERSE 3:
C **Em7/B**
Jesse the spread on the bed,
Edim/Bb **A7**
It's like when you left, I kept it for you.
Dm **Dm/C**
All the blues and the greens have been recently cleaned
G7 **C** **E**
And are seemingly new; hey Jess, me and you.
A **Dm**
We'll swallow the light on the stairs
Dm/C **G7** **C**
I'll fix up my hair, we'll sleep unawares
A7 **Dm** (strum) **G7** (strum)
Hey Jesse, it's lonely, come home
