RE: Fall 2025 CRO Ruling 7

On September 19th, 2025, the Chief Returning Officer received evidence that Alan Ji posted materials on their Instagram campaigning account that did not display the text "vote.skule.ca" anywhere.

This is in direct violation of Bylaw 3, 8.0.2 which states, "*All campaigning materials must prominently display the following text: vote.skule.ca*". As a result, the candidate in question will be issued a formal warning which will be displayed on the voter statement page during the voting period on vote.skule.ca.

These decisions may be appealed under the process outlined in Bylaw 3, Section 10.
