

Baby I could wear blue
It'd make my eyes pop
Or maybe sunshine yellow
Wake em' up and say hello
I could wear red
Knock 'em all dead
But the best I ever look
is when I'm pretty in pink

PRETTY IN PINK
THAT'S HOW I WEAR IT
JUST A CUTE LITTLE BLONDE
IN MY LOUIS VITONS
YEA YEA
DON'T CARE WHAT THEY THINK
I HOLD MY HEAD UP
AND GIVE 'EM A WINK
CUZ' I KNOW WHO I AM
I'M PRETTY IN PINK

I don't wanna chip a nail
But I can sure throw a ball
(No no I'm not perfect
my life's a little messy
But I got a pure heart)
I'd love to make you laugh oh
But I'll hurt with you when you cry
To me this is what it means
To be pretty in pink

*And I may not know that much
But this much I know
The good lord loves us all
He made me
And he made me
Pretty in pink*
