Juab School District Community,

On behalf of the Board of Education, administration, teachers, and staff we welcome to the 2022 - 2023 school year! It is a great pleasure to welcome both our returning families and those who are new to our system! I hope this message reaches you all enjoying a fun and safe summer break.

We are all excited to see our students return to school for the school year. Juab School District administrators and teachers spend a great deal of time during the summer preparing for the upcoming year. This contributes to what we know will be a smooth opening. Summer is also a time for our faculty members to focus on their learning – something they do not have as much time for during the school year when the emphasis is on teaching our students. This summer, so many of our faculty and staff have engaged in workshops, courses, and other sources of professional development. This enriches their knowledge base and our schools.

JuabSD is a place that fosters growth and opportunity for all. Our dedicated teachers and staff work to improve and benefit our students' lives and are true education champions.

This year we will continue our work to be a CHAMPION for every child. It is essential to understand each child's needs and to recognize the talents and strengths of our students and teachers to make the most significant difference. In JuabSD, we are all CHAMPIONS for education and strive to provide students with all they need to succeed and pursue their college, career, and life dreams! I am grateful to everyone in our school community who supports our children! Best wishes for a wonderful school year.

Sincerely,

Dr. Kodey Hughes, Ed.D.
Superintendent of Schools

School Lunch

Children need healthy meals to learn. Juab School District offers healthy meals every school day. All breakfasts cost \$1.40; Elementary and Junior high lunch cost \$1.80; lunch at the high school is \$2.00. Your children may qualify for free meals or for reduced-price meals. The reduced price is \$.30 for breakfast and \$.40 for lunch.

Breakfast will be served at all District schools 20 minutes before the start of school. [Lunch Menus](#) are posted each month on the district website and each individual school website. Menus are subject to change without notice.

We encourage you to [fill out a free and reduced lunch application](#) if you haven’t already. Please go to [ezmealapp.com](#) to apply today if you think you may qualify.

View www.juabsd.org for the most up-to-date information.
This institution is an equal opportunity provider.

Parents May Apply for Fee Waivers

Parents who have children in secondary schools should be aware that their children may be eligible for a waiver of school fees. The law does not permit fees at all in grades 1 - 6. Further, the law indicates that a child in grades 7 - 12 likely would be eligible for fee waivers if the parent or guardian’s income is at such a level that their child is eligible for free school lunch.

Parents who receive any state or federal assistance likewise may be eligible to receive fee waivers.

If a parent believes that their child might qualify for fee waivers, they should contact the child’s school for the appropriate forms. Based on the information parents submit, school principals will determine, according to District and State guidelines, if in fact, the student is eligible for fee waivers. An appeal process is in place if a parent disagrees with the local school’s decision.

[Access the School Fee Waiver application online.](#)

**School Fees Forms Packet
School Year 2022-2023**

Student Fee Policy, District Elementary Schools 2021-2022

There will be no fees at District elementary schools during the regular school day. Some donations may be requested for projects, field trips, or activities. No student is required to pay these donations to participate in activities. Special instructional activities outside of the regular school day (or school year) may be subject to fees.

Immunization Requirements Early Childhood Programs, Kindergarten, and 7th Grade Entry

Students entering a Utah school, kindergarten through 6th grade, must be fully vaccinated with the following immunizations. A student *must have* written proof of receiving the following immunizations:

- 5 DTaP (4 doses of DTaP, if 4th dose given on/after the 4th birthday)
- 4 Polio (3 doses, if 3rd dose was given on/after the 4th birthday)
- 2 Measles, Mumps, Rubella (MMR)
- 3 Hepatitis B
- 2 Hepatitis A
- 2 Varicella (chickenpox) *If a student has a history of Chickenpox disease, the student must submit a document signed by a healthcare provider to the school as proof of immunity.*

In addition to the immunizations required above, the following immunizations are required to attend 7th through 12th grade. A student *must have* written proof of receiving the following immunizations:

- 1 Tdap booster
- 1 Meningococcal

Proof of immunity to disease(s) can be accepted in place of vaccination only if a document from a health care provider stating the student previously contracted the disease is presented to the school.

For children whose parents claim an exemption to immunization for medical, religious, or personal reasons, their legally responsible individual must complete an online immunization education module at immunize.utah.gov. A copy of the certificate must be presented to the school or child care official.

For a medical exemption from the required immunizations, a completed vaccination exemption form and a written notice signed by a licensed healthcare provider must be presented to the school.

Stop 11.	Juab Jr. High School	7:48 AM

Bus Safety

Getting Ready for School

- Have your children put everything they carry in a backpack or school bag so that they won't drop things along the way.
- Encourage them to wear bright, contrasting colors so they will be more easily seen by drivers.
- Make sure children leave home on time so they can arrive at the bus stop before it is due, ideally at least five minutes early. Running after or in front of a bus is dangerous.

Walking to the Bus Stop

- Walk young children to the bus stop or encourage children to walk in groups. There is safety in numbers; groups are easier for drivers to see.
- Practice good pedestrian behavior: walk on the sidewalk, and if there is no sidewalk stay out of the street. If you must walk in the street, walk single file, face traffic, and stay as close to the edge of the road as you can.
- Stop and look left, right and then left again if you must cross the street. Do the same thing at driveways and alleys. Exaggerate your head turns and narrate your actions so your child knows you are looking left, right and left.

At the Bus Stop

- Have children wait in a location where the driver can see them while driving down the street. Try to avoid waiting in a house or car.
- Do not let children play in the street. Playing with balls or other toys that could roll into the street is also dangerous.

Getting On and Off the Bus

- Warn children that if they drop something getting on and off the bus, they should never pick it up. Instead, they should tell the driver and follow the driver's instructions.
- Remind children to look to the right before they step off the bus.
- If you meet your child at the bus stop after school, wait on the side where the child will be dropped off, not across the street. Children can be so excited to see you after school that they dash across the street and forget the safety rules.

Parent Teacher Conferences

Held on Thursday after school and Friday morning. School will be regular hours on Thursday; no school on Friday.

Learning Accountability Days

Regular school will not be held. Students are invited and encouraged to attend for any help they may need. This is a great opportunity for students who need one on one time with teachers. Teachers will be available from 8:00-12:00. Buses do not run and food services will not be available.

The diagram is a Venn diagram with three overlapping circles. The top circle is green and labeled 'Knowledge' with a graduation cap icon. The bottom-left circle is blue and labeled 'Dispositions' with a heart icon. The bottom-right circle is red and labeled 'Skills' with a handprint icon. The central area where all three circles overlap is white and labeled 'PORTRAIT OF A GRADUATE'. The outer edges of the circles contain additional text: 'Choice-Ready' for Knowledge, 'Grit Curiosity Resilience Teamwork Leadership' for Dispositions, and 'Communication, Creativity Collaboration Critical Thinking' for Skills.

Sportsmanship Mission Statement

The mission of the Utah High School Activities Association sportsmanship curriculum is to teach acceptance of victory and defeat in a dignified and graceful manner; always treating participants with fairness, courtesy, and respect.

“A champion isn’t made of muscle;
a champion is **made of heart.**”
-Liang Chow
