

Science Fusion Consumable Book

1. 200 points per quarter (**Don't Lose Your Book**)
2. Effort is critical for these pages, as it will be a review of content.

1st Quarter Science Fusion Workbook Sections

Pay attention to pages that need completed for each section

- *Scientific Knowledge- Pg. 8, 9, and 10
- *Scientific Investigations- Pg. 20 thru 33
- *Representing Data- Pg. 37, 40, and 43
- *Mitosis- Pg. 293 thru 300 and Lesson Review
- *Meiosis- Pg. 303 thru 310 and Lesson Review
- *Sexual and Asexual Reproduction- Pg. 315 thru 322 and Lesson Review
- *Heredity- Pg. 332 and 333 and Lesson Review
- *Punnett Squares and Pedigrees- 340 thru 346 and Lesson Review

2nd Quarter Science Fusion Workbook Sections

Pay attention to pages that need completed for each section

- *Punnett Squares and Pedigrees- 340 thru 346 and Lesson Review
- *Theory of Evolution by Natural Selection- Lesson Review
- *Evidence of Evolution- Pg. 375, 379, and 380
- *History of Life on Earth- Pg. 387 thru 394 and Lesson Review
- *Geologic Change Over Time- Pg. 232, 233, 241 and Lesson Review
- *Relative Dating- 246 thru 254 and Lesson Review
- *Absolute Dating- Pg. 260 thru 268 and Lesson Review
- *Geologic Time Scale- Lesson Review (Pg. 281)

3rd Quarter Science Fusion Workbook Sections

Pay attention to pages that need completed for each section

- *Earth's Interior- Pg. 166 thru 176 and Lesson Review
- *Theory of Plate Tectonics- Pg. 184, 185, 186, and Lesson Review
- *Plate Tectonics and Landforms- Lesson Review (Pg. 205)
- *Earthquakes- Pg. 212 and 218
- *Erosion/Deposition by Water- Pg. 102 thru 112 and Lesson Review
- *Erosion/Deposition by Wind, Ice, and Gravity-Lesson Review(Pg. 127)
- *Topographic Maps- Lesson Review (Pg. 139)
- *

4th Quarter Science Fusion Workbook Sections

Pay attention to pages that need completed for each section

- *Image of Earth's Surface- Pg. 143 and 149
- *Forces- Pg. 408 thru 420 and Lesson Review
- *Gravity and Motion- 424, 426, and 428
- *Electric Charge and Static Electricity- Lesson Review (Pg. 443)
- *Magnets and Magnetism- Pg. 446 thru 452 and Lesson Review
- *Electromagnetism- Pg. 462 and 465
- *Unit 5 Review- Pg. 351, 352, 353, 354
- *Unit 2 Review- Pg. 157, 158, 159
- *Unit 3 Review- Pg. 223, 224, 225
