Corrupted Heroes Chapter 31

One hour later...

"Eek...hee-hee...hahahaha...🎵"

Thin wisps of white mist escaped her lips, carrying a strong, sensual scent. Her usually cool and aloof face was completely disheveled; her bangs were slightly messy, with strands of hair and sweat clinging to her flushed cheeks, a result of her intense orgasm.

The large screen behind her displayed:

Brainwashing rate: 5%

Common sense correction: 34%

Erosion rate: 9%

Physical modification: 67%

Ying Ni looked at the data on the screen and nodded in satisfaction: "Brainwashing progress 5%... Since the suit's protection is so exaggerated... it seems that three hours of brainwashing every day would be better... After all, if she continues to use this kind of machine, her brain might really break down... We should focus on hypnosis first, and get her used to the hypnotic state..."

Her beautiful eyes twitched slightly, relaxed from pleasure; the pupils, almost entirely enveloped in a purplish-pink hue, were barely visible in her eyes, the whites dominating the overall color, with only a small portion peeking out near the upper part of her nose.

Tears welled in her eyes, leaving a clear streak on her fair, rosy cheeks.

Large beads of sweat were clearly visible, and clear snot continuously trickled from her delicate nose, dripping down her bright red lips.

Her small mouth swelled slightly, a lewd smile still lingering at the corners of her lips. Her slick little tongue drooped limply on her lower lip, saliva mingling with the corners of her smiling mouth and continuously gathering on her chin.

Her battle suit at the chest was visibly stained with water, and a clear liquid of indistinguishable composition continued to drip from the tip of her chin, leaving a silvery trail.

A small amount of a milky-white, unidentified fluid dripped continuously from the two protruding nipples, but it released a terrifying amount of female pheromones.

Wetting the entire area around her nipples with latex.

Because of a slight spasm in her body, her breasts were still swaying gently, as if inviting the male before her to grace them with his presence.

"Haa..."

On Wang Yuyan's left lower breast, lower abdomen, and the inner sides of her two parted thighs, a large amount of thick male semen, emitting a disgusting, fishy odor, was stuck.

The uterus, unbearably itchy from estrus, was further tormented by the smell and the accompanying heat, causing it to twitch slightly. However, its owner was completely lost in a daze, unable to respond to the uterus's expectations.

"...The erosion rate also needs to be increased further...without being noticed by others...hiss, you slut! I'll shoot it all at you!!"

Ying Ni analyzed the current situation, while casually enjoying Wang Yuyan's near-collapse and delirious state, further defiling her with his third ejaculation of the night...

"Hahaha...❤ Hahaha..."

Wang Yuyan's mind finally fell into a deathly silence amidst the white spray of Ying Ni's bullet aimed at her...

.....

This is an inconspicuous public restroom inside the boys' dormitory building... Even though it's past cleaning time, there's a sign at the entrance indicating it's being cleaned.

St. Francis College, nominally a prestigious academy, even had its men's restrooms kept spotless every day. Some reclusive students would even deliberately eat lunch in the restrooms to minimize interaction with others.

But now, around 1 a.m., there are two people's scents in this men's restroom...

One of them was Ying Ni... although it was a bit late, that wasn't surprising, especially since his private room was located on this floor. The other person, however, was a girl, the student council president, Wang Yuyan.

"You perverted scumbag! Are you ready to face your punishment?!"

Wang Yuyan stood with one hand on her hip, still wearing her blue and white school uniform, her long, dark blue hair styled in a neat ponytail. Even from behind, she appeared remarkably capable and composed.

But viewed from the front, her signature sky-blue eyes were now replaced by a lewd purple-pink, and the righteous glint in her eyes had vanished without a trace.

"What...what do you want?!"

Ying Ni's voice stammered slightly, but a faint, mischievous smile played on his lips.

"Of course, I'll use you, my prisoner, for special training! Although you've been completely defeated and are now willing to do good, I still want to learn from you, this lewd, despicable demon king, how to become stronger..."

It's important to know that in the battle against the previous generation's Demon King of Lust, the Demon King, on the verge of defeat, had caused the deaths of both Wang Yuyan's parents and Wang Chaoyang's parents, leaving them to be raised by their grandparents.

It was around that time that she met Chaoyang, who had also been brought back by her grandparents.

This upheaval shaped Wang Yuyan's strong sense of justice and hatred for evil from a young age. Her deepest obsession was to avenge her parents, and it was this very obsession that led her to join the Super Beast Team and become Super Beast Blue.

"Of course, it was also special training for you! You were clearly a demon king, yet I defeated you... I've found the reason for your weakness!"

Completely devoid of the deep-seated hatred one would harbor for a mortal enemy, he spoke as if flirting, disregarding whether it was appropriate for her to say, "Because you make love every day! So your sex drive is exceptionally high! Therefore, I need to extract your semen so you'll have no energy left to do evil!"

Ying Ni shrugged, accepting with a slightly resigned tone, "Fine... after all, conducting erotic training in the men's restroom is 'common sense'... I'll accept your punishment."

Wang Yuyan's purple-pink eyes brightened noticeably for a moment, then she replied very seriously, "That's right! Here, both your semen and my love juice can flow freely and to your heart's content ❤"

These strange behaviors stemmed from the three hours of hypnosis and brainwashing she underwent daily.

Wang Yuyan's memories were clear up until she discovered he had indeed arranged for female students to engage in nude loans and that he had secretly filmed their team members from private angles. Only the details of the brainwashing and training were altered...

Wang Yuyan remembered that after Ying Ni revealed his true identity, she went into the basement and fought a fierce battle!

Although her opponent was still formidable, she ultimately defeated the evil demon king through unwavering faith and indomitable will.

Defeated, Ying Ni sincerely repented under her tutelage and told Wang Yuyan about his ordeal.

It turns out he wasn't originally from this world; he had transmigrated here six months ago, was forced to inherit the Demon King's legacy, and replaced Ying Ni, the ruler of this world.

Because Yu Ying had also broken the shackles of time during her outburst, traveling through time to change the course of their defeat, Wang Yuyan believed Ying Ni's explanation.

He then used his power to seal away his demonic authority and promised to keep his secret.

She had no recollection of being captured and subjected to inhumane brainwashing and training, after which she was immediately brought to this perverse place in a dazed state.

Ying Ni instilled the following instructions into Wang Yuyan through hypnosis and brainwashing:

First, there is only one way to defeat the Demon King: induce him to orgasm, causing him to ejaculate semen or vaginal fluids, thus completely sealing his power.

(But now, all seven demon kings except Ying Ni are female.)

Second, under normal circumstances, the more vulgar, obscene, and lewd the behavior is perceived to be, the more excited one feels, and the greater the pleasure gained, even if it's not always during sexual intercourse.

Third, regardless of their state, they will automatically become aroused simply by being near Ying Ni. Their sensitivity is ten times greater than usual; even breathing can trigger immense pleasure.

Fourth, while we still retain a normal sense of shame regarding lewd and indecent behavior and obscene language, if it is done for the sake of world peace, it is a noble act and there is no need to feel guilty.

Fifth, the 'common sense' spoken of by the lustful demon king Ying Ni is the most universal and unquestionable correct 'common sense' in this world.

Sixth, depending on the amount of vaginal fluid expelled during pleasure, romantic feelings for one's current lover may also be expelled along with it.

At the same time, they will feel an equal amount of affection for the person who gives them pleasure.

These hypnotic messages were deeply imprinted in Wang Yuyan's subconscious.

"Super Beast Transformation!!"

Seeing how cooperative the other party was, Wang Yuyan didn't say anything more and immediately transformed.

"Alright, summon your tentacles now! And like me, bring out your entire genitals; that will make things much easier later."

The transformed uniform had several more heart-shaped cutouts than before, completely exposing Wang Yuyan's two large pink areolas and her meticulously groomed pubic hair, which was as neat as her hair.

Those incredibly sensitive and erotic concave breasts, like two small mouths, enveloped her wanton nipples.

The Super Beast Suit is entirely generated by the resonant energy between the Super Beast Warrior and the Light and Shadow Stone, and its shape can be altered to a certain extent according to the user's will.

"Wow, what a beautiful sight... Just looking at it makes me a little uncomfortable!"

Ying Ni whistled flippantly, his eyes filled with lewd possessiveness as he scanned the lewdly adorned battle armor back and forth.

"Then you'd better hold back! If you can't control your desires, they'll consume you and you'll do those scumbag things again! Now take your pants off!"

The sword in her hand flashed a stylish flourish, creating a striking contrast with her current attire.

"Okay, okay, I got it!"

Ying Ni summoned tentacles made of his own flesh and blood, and pulled down his pants. Wang Yuyan was momentarily stunned by the colossal object standing before her.

'How can there be such a magnificent and filthy big cock...❤ Ouch! Oh no... training hasn't even started yet, and I'm already wet...'

Whether it was due to brainwashing or not, Wang Yuyan's uterus began to involuntarily cramp and itch. Her previously composed expression changed, and her breathing became slightly rapid, her face flushed...

"Tsk tsk tsk, my dear mare president... what's wrong with you? You're not just getting aroused and about to climax from seeing my big cock, are you? Hmm~? Hehe❤"

Ying Ni flippantly flicked his penis between his legs, causing Wang Yuyan's beautiful eyes to sway as well.

"I... I'm fine! Hurry up and stand by the urinal!"

Wang Yuyan shook her head slightly, put away her energy sword, and stood in front of a urinal, slightly parting her legs to reveal her cloth-shaped vulva.

"President Mare... could you please put that helmet away? It's getting in my way of enjoying your lewd and infatuated behavior..."

Ying Ni came up behind Wang Yuyan and pulled her into his arms. He was about to lick and suck her earlobe when the sharp-edged shark helmet made him hesitate, and he said with dissatisfaction, "..."

"Hmph! To choose such unfavorable conditions for yourself, it seems you're quite bold for a demon king..."

Following her mental command, Wang Yuyan, having retrieved her helmet, straddled the urinal. Her gloved fingers expertly parted her genitals, and she spoke with a serious expression.

"Come on!! Let's settle this with your filthy, scumbag cock and my pussy!!"

Upon hearing this, Ying Ni didn't hold back, thrusting his already impatient penis between her buttocks from behind and pressing it against the entrance of her vagina.

"Is this okay? Your juices are dripping down!"

Wang Yuyan ignored the despicable scumbag behind her and his lewd words, focusing instead on the burning hot, enormous rod throbbing between her legs.

'Hmm! This thing is even more ferocious and monstrous than I imagined... but I never expected it to be the Demon King's weakness.'

Ying Ni, unaware of the complex thoughts swirling in Wang Yuyan's mind, impatiently shifted his waist: "Let's get started! We can do anything except intercourse. Whoever brings the other to orgasm first loses."

"However... such a simple contest isn't quite enough! Let's add a wager. If I win... you have to give me your virginity! I'll use the most lewd methods you can imagine to help you lose your virginity."

Ying Ni forcefully placed his large hand on her plump, round buttocks, which were inches away, and began to knead them.

'What?! ...They actually want me to give up my virginity?! I wanted to give my precious first time to Chaoyang... But if I give up this contest here, wouldn't that be saying I'm not confident I can beat this scumbag?'

A bead of sweat inadvertently appeared on her face. Wang Yuyan gritted her teeth, revealing a confident smile: "Hmph... then don't blame me for not holding back! But if I win... then prepare to accept the terrifying reality of being subjected to my 'exhaustion training'!"

Ying Ni almost burst out laughing; it seemed he wouldn't suffer a loss no matter what.

"Haha! Great! I have no objection to that."

Hearing the other party's quick agreement, Wang Yuyan's competitive spirit was ignited.

'That smile is truly sinister... No wonder he's the Demon King. Even with his handsome looks, he's still controlled by his desires. Although he's unwilling... this kind of training is necessary to reform him and have him contribute to the cause of justice in the future!'

The stakes made no difference to either side, but Wang Yuyan still feigned composure and accepted these unequal terms... It seems that hypnosis and brainwashing have completely taken control of her mind and body...

Corrupted Heroes Chapter 32

As the competition officially began, Ying Ni took a deep breath of the feminine fragrance emanating from the woman in his arms: "Inhale... exhale. Hmm~ The scent emanating from the mare's hair... is indeed somewhat intoxicating—hahahaha!"

Ying Ni's sudden attack caught Wang Yuyan off guard, causing her to let out a cute little snort: "Hmph! Don't sniff like that so recklessly anymore... and make that disgusting face."

'I feel really uncomfortable... but why do I keep getting so wet whenever this guy's penis is thrusting in and out of my anus from behind? ❤ Ugh! Damn it... I won't give up so easily!'

Before she could react, Ying Ni wrapped his arms around her slender waist and buried his head in her ear: "Tsk tsk❤ Your mouth is pretty stubborn... Well then, I'm going to play with these fat, greasy breasts. From my angle, I can see them almost perfectly clearly."

Wang Yuyan's face flushed red with fright at the flirtatious tone: "Ugh!! You're so disgusting. Even if I refuse, you'll still force yourself on me... Whatever makes you happy!"

She clenched her teeth slightly, trying to reassure herself.

'...This is a necessary sacrifice for world peace...Even if I suffer such humiliation, as long as I can use these huge breasts to instantly defeat this lewd demon king and settle the score, that's enough!'

Ying Ni bluntly stated, "Then let's officially begin!"

Dig, dig, dig, dig, dig...

"Hah...❤...No, don't touch my nipples...Eek!❤ You're not forgetting to stimulate me with your lower body while playing with my nipples...Hah!❤ It seems you've used every trick in the book to win...Oh hah hah hah hah...No, I can't just sit here and wait to die."

At Ying Ni's command, he brazenly inserted his two index fingers into Wang Yuyan's already sensitive erogenous zone.

"How was it? My methods, those of a scumbag demon king... not bad, right?"

Faced with Ying Ni's flippant teasing, Wang Yuyan retorted without backing down, "Hmph... for something this simple... stop being so smug... ugh! Your penis is also squirting out pre-ejaculate! You're probably about to ejaculate, aren't you?!"

Ying Ni easily enjoyed the pleasure emanating from his fingers and penis, but it would be too boring if he didn't give his partner a little hope.

"Ah~ there's nothing I can do about it. Just thinking about how I'm currently ravaging the nipples of that aloof and upright President Yuyan makes me so excited I want to ejaculate. Hehehe❤"

Give her hope, and she'll resort to even more degrading tactics to please you.

'Oh my god❤ It feels so good to have my nipples being played with~!❤ If this continues...!'

Wang Yuyan felt a slight sense of relief when she saw that the other person was equally excited to admit it.

"Is this all the Demon King is capable of...? It seems your sex drive is truly terrifyingly strong... So, what will you do if I react like this?!"

As she spoke, Wang Yuyan placed her hands, which had been spreading her legs apart, behind her head. Using her slender waist, she began to perform a very lewd and erotic squat.

"Like this! Hehe❤ How does my sexy squat feel? A killer move I learned from porn games, it can take you down in one move even if you're at your peak! It also gives you a good workout for your leg muscles and sphincter muscles, a win-win situation❤ Watch me use this move to annihilate your big dick!!❤❤"

Since this was Wang Yuyan's first time doing something like this, she sensed something was amiss.

'Pornographic games...? Have I ever played those shameless games before? ...Never mind, I should focus on winning now!'

But she only struggled slightly before being overwhelmed by an even stronger competitive spirit and a desire to protect her virginity.

"Oh yes, her nipples are swaying up and down...it's really erotic! And an opening unconsciously appears under her armpit ❤ This pungent smell of female courtship is irresistible! ...And there's even some hair on it? Hahahaha❤"

Suddenly, Ying Ni wanted to preserve this lewd training session in his mind. He no longer suppressed his ever-growing urge to ejaculate, focusing instead on enjoying the contrasting lewdness of this female dog.

"Aww❤ After becoming a Super Beast Warrior, my hormone levels were all messed up. Even though I've tried to manage it, they're still pretty high. Hehe❤ Isn't that sexy?"

Wang Yuyan's tone was as soft and sweet as a girlfriend coaxing her boyfriend.

Sweet, alluring white breath escaped her lips. Her nipples, loosened by Ying Ni's grip, were now exposed, their tips barely visible, glistening with clear sweat.

"Ugh! Now's not the time for that! You need to focus and dance with me! Hee hee... um hee hee um hee um hee um hee um hee woo ❤"

You have to admit, this erotic yet contrasting appearance did give Ying Ni a pleasant feeling: "Oh ho❤ That's really impressive... If this continues, even I might not be able to handle it... Well, that's the only way then."

Ying Ni's hands transformed into dragon claws, gripping and locking onto the pair of free, lustful breasts. Then, he exerted force with all ten fingers, especially his two index fingers, which once dug into the indented nipples.

"Oh my gosh! My nipples... oh dear!"

A sudden surge of pleasure coursed through her body from her nipples, causing Wang Yuyan to let out a wanton, sob-like scream.

"I'm not going to surrender so easily...you little slut~"

Wang Yuyan's eyes narrowed slightly into a vulgar cross-eyed look, but she still didn't forget to continue her lewd squatting.

'Oh no! This guy...ouch! Damn it! And both my nipples were attacked at the same time.'

Waves of vaginal fluid washed over Ying Ni's erect penis, emitting a slightly pungent, feminine odor.

"Hoo-hoo~~ No... if you keep poking... oh hoo hoo hoo❤ If this keeps up, I'm really going to...❤❤!!"

She clenched her teeth tightly, trying to suppress her shameful cries, but many low growls, like those of a mare during insemination, still escaped from between her teeth.

'Why...why do I feel this way...when a man I both despise and dislike touches my nipples...even more so than when I masturbate while thinking about the sunrise...'

Wang Yuyan had only masturbated once, and it was both her most enjoyable and most regrettable experience. Now, that enjoyment, fueled by longing for her beloved, was being ruthlessly overshadowed by Ying Ni.

"The thought of toying with a woman as aloof and proud as you, reducing her to this pathetic state, is utterly pleasurable... *swoosh*... the urge to ejaculate is rising..."

Excessive sweating due to the overwhelming pleasure was so intense that beads of sweat were clearly visible under the armpits, and saliva involuntarily began to trickle from the corners of the mouth.

"Don't compare me to a scumbag like you... I won't let you bring me to orgasm with your hand!... Hurry up and shoot it in! ❤ Shoot it in!! ❤ Oh ho ❤ Oh ho ❤ Eee woo woo woo ❤ Ah ah ah ❤ My nipples... are coming out! I can't hold on any longer ❤❤"

The friction between the penis and her vulva produced a chorus of erotic sounds, "plop plop plop!!" Wang Yuyan could no longer control the pleasure; she straightened her back, tilted her head back, and

pressed it against Ying Ni's muscular chest. Her tongue darted out of her mouth, and her alluring white mist sprayed onto Ying Ni's face.

"Oh my gosh oh my gosh oh my gosh ❤ I'm about to cum ❤"

Her eyes reflected Ying Ni's handsome face, and she shamelessly climaxed with pleasure, ejaculating...

"Hiss! I'm here too!! Woohoo❤❤"

The two were less than a second apart, but the perceptive Wang Yuyan was still able to sense it.

"Ah...haga...❤"

But she was speechless at that moment; the fact of defeat was something she couldn't accept.

"Hiss❤ Are we... having an orgasm at the same time? How about we consider both of our bets to be true... What do you think, Mare-senpai... Waaah❤"

Ying Ni, panting heavily, greedily voiced his suggestion.

"Waaah...❤"

'How could I...lose? Lose to this kind of scum...am I going to lose my virginity...? But he doesn't seem to have noticed...should I tell him?'

Even under hypnosis, Wang Yuyan's sense of justice still compelled her to be truthful. However, having absolutely no affection for Ying Ni, she was currently more concerned with...

'Why...why isn't that person Chaoyang...'

This was her true feeling, but: "...Why...don't I feel sad at all?"

Her eyes reflected Ying Ni's handsome face, a faint pink heart shape forming in her pupils.

So handsome!

A deep itch in her uterus caused her whole body to tremble involuntarily; that most primal desire was now directed at the man before her.

"The logic is simple: the fluids secreted during pleasure not only expel the romantic feelings you have for your loved one, but also transfer those feelings to the person who caused those fluids to be released."

Ying Ni, gazing at the lewd state of the proud mare in his arms, let Wang Yuyan's sexy, plump thighs slip between his hands, which were still inserted in her wanton breasts, and placed her on his arms, making her sit on his arms in an unsightly manner, much like a parent trying to potty train a child.

"Ehhhhh... How could this be?! Is there really such a thing?..."

The supple Wang Yuyan was easily lifted from behind by Ying Ni, who was holding her nipples. Her vulva was completely exposed to the air, and the heart-shaped cutout at her buttocks was also revealed.

"What are you talking about... This is 'common sense,' 'common sense' 🎶"

Ying Ni's flippant and flamboyant voice masked her inner unease, but it didn't dissipate. Ying Ni, however, was so overjoyed that he didn't even notice.

"Huff... What you said... has a point too ❤ Huff huff ❤... But..."

Before Wang Yuyan could finish speaking, Ying Ni pulled her into his arms and carried her away from the men's restroom, heading towards his room.

The security cameras in the dormitory corridor, interfered with by Ying Ni, failed to capture anything. He then brazenly led Wang Yuyan to the door of a private dormitory.

'Although I've always wanted to get rid of my feelings for Chaoyang... I never imagined that such a scumbag would use such methods to overshadow them...'

Her face was flushed an unnatural red, and her tongue lolled out slightly, swaying with Ying Ni's movements, producing copious amounts of saliva.

Her delicate hands were still clutching the back of her head, completely unaware that she had been moved from her original spot.

"The bet is now in effect, let's start fulfilling our promise~❤"

Ying Ni used his tentacles to enter a password and open the room. The cold, glaring white fluorescent light inside helped Wang Yuyan regain some of her senses.

The room was quite clean and tidy, filled with the sunny scent unique to young people. A close-up photo of her and the boy sat on the bedside table.

Wang Yuyan was very familiar with that photo, because a similar group photo also sat beside her bed.

Her only experience with masturbation was while holding this photo.

"What?! Wait! Why are we in Chaoyang's room...? I, I'm not ready yet..."

Yes, this isn't Ying Ni's room; it's actually the private room of her sworn brother, Wang Chaoyang, whom she wholeheartedly protects, to whom she pours all her tenderness and harbors romantic feelings.

Before she could finish speaking, Ying Ni closed the door, sat on the bed, and embraced her fully aroused, throbbing, yearning vulva, aiming it at his still erect, thick penis... His arms completely relaxed...

Corrupted Heroes Chapter 33

"Eek! Ugh!! Gurgle!!"

"So...deep...it'll kill me...I'll definitely be fucked to death..." A hint of fear flashed in Wang Yuyan's eyes, but it was quickly and easily overwhelmed by her immense lust.

"But if that cock went in... it would feel... so good, right..."

Wang Yuyan pulled her blue-silk-clad feet out of Ying Ni's arms, sat on his waist and abdomen, letting his large penis, which was pressed against her lower abdomen, slide down her abs.

Stomach...

Lower abdomen...

Then the pubic mound...

Finally, there was her already soaked, tender vulva.

At this moment, Wang Yuyan's vagina was already soaked with her own vaginal fluids, and even the outermost layer of her rubber battle suit and sheer blue stockings were wet, with some thick black pubic hair sticking to her vulva.

Her thick, full labia tightly gripped the small slit in the middle, as if protecting her from being penetrated by a large penis...

Plump and juicy.

Pfft—

With just a gentle sit, Ying Ni's glans immediately sank halfway into the tender opening!

The hard, protruding glans pressed against Wang Yuyan's already soaked vulva, like a whirlpool at sea. The pubic hair, along with the tip of Ying Ni's glans, was sunken into her thick labia.

A section...

A small section...

Another segment...

Wang Yuyan could feel her tender, untouched vulva being mercilessly scraped and torn by Ying Ni's glans. Not to mention the constant heat emanating from his penis, like a red-hot iron suddenly plunged into water, releasing copious amounts of steam that relentlessly seared her thick, juicy vulva.

"No...no...it's too big...it hurts...I can't put it in...uh..." Even with only the glans inside, and despite being a Blue Warrior who regularly trained and had a well-developed physique, Wang Yuyan was finding it difficult to handle.

The stinging pain from being torn apart by Ying Ni's enormous penis briefly brought her consciousness, which had been lost in hypnosis and brainwashing, back to its senses.

Wang Yuyan squatted on Ying Ni's lap in a horse stance, her legs tightly pressed together, her plump buttocks and thighs clenching together, trapping Ying Ni's large penis within them, trying to prevent it from penetrating further.

However, Wang Yuyan had no idea how alluring her plump, well-developed thighs were, and how much pleasure they could bring to a man's penis, especially since she was wearing stockings. Just by instinctively squeezing her thighs together, Ying Ni's entire penis was enveloped and swallowed by her flesh.

"Hiss!" Ying Ni couldn't help but let out a satisfied sigh, his hips thrusting upwards!

A sharp, tearing sensation washed over her, along with the warning that her precious proof of virginity was about to be breached. This pain caused a flicker of clarity to cross her eyes, which slowly faded from their purplish-pink hue.

No longer captivated by the thrill of pleasure, Wang Yuyan immediately began to struggle, trying to break free from her opponent's grasp.

Unfortunately, Ying Ni wasn't about to let this easy prey slip through his fingers. Having put in so much effort today, how could he possibly let this rare opportunity pass him by?

No longer hesitant, Ying Ni tightened his grip on Wang Yuyan's nipples, then used his entire arm to press down on her blue-silk thigh. With a powerful pull, Ying Ni dragged her hips towards his own!

Pfft —

Snap —

"Eee-hoo-hoo-hoo?! ❤Ahhhhh...I...my virginity❤❤...hoo...ohhhh...ahhhh...gone...gone❤...Chaoyang...the body I left for you...gone...❤"

Ying Ni's strong, muscular hips were firmly held down by Wang Yuyan's incredibly alluring, perfectly round buttocks, and his astonishingly long penis was forcibly inserted entirely.

Wang Yuyan's first time, including breaching the palace, was accomplished by Ying Ni in one go!

Two sticky, cake-like buttocks were piled up into layers of fleshy patties under Ying Ni's forceful grip on her thighs, looking exceptionally lewd.

As Ying Ni relaxed his arms, the buttocks, which had been pressed into a meat pie, quickly gathered and contracted, returning to their pert, spherical shape. Then, under Ying Ni's force, they were squeezed again into a mass of overlapping flesh.

Her fleshy buttocks, with their contracting and expanding shape, were practically a natural cushion for absorbing the force of a male's thrusts, proving Ying Ni right: Wang Yuyan was truly a born, top-quality mare; every man who sat on her praised her beauty.

"Ahhh!!" Ying Ni convulsed with his eyes closed, his penis trembling wildly inside Wang Yuyan's virgin vagina, where she was being penetrated for the first time.

Wang Yuyan's reaction was no less intense; she froze on Ying Ni's hips, her plump peach-shaped buttocks almost completely pressing down on his waist. She gripped her thighs tightly, trying to pry them apart to alleviate the tearing sensation in her vagina.

The first time...

Her first time, along with her first time in the palace...all of it...all of it was taken from her by this Ying Ni!

That thick, long penis, not an inch of it was exposed; it was completely enveloped and sucked by her virgin vagina. She could even feel Ying Ni's glans pressing hard against the inner wall of her uterus, creating a bulge on her lower abdomen.

Before Wang Yuyan could even adjust to the tearing sensation of her vagina opening and cervix being opened, the thick, erect penis inside her forcefully and rapidly pulled out!

The fleshy bumps around the glans of Ying Ni's penis, resembling beads, rubbed against the delicate inner wall of Wang Yuyan's uterus!

A surge of intense pleasure, unlike anything Wang Yuyan had ever experienced before, instantly coursed through her limbs and bones like an electric current!

"Eee-ah-oh-oh-oh❤?!! Wait...wait a minute❤...this is too...too stimulating❤...❤❤breasts eee-ah-oh-oh-oh?!!❤❤I'm...I'm...I'm...I'm...ah-oh-oh-oh-ah-ah-ah-ah-ah-ah-ah～～～～～～"

Pfft —

Ying Ni's glans was firmly lodged at Wang Yuyan's cervix, unable to withdraw even an inch. Wang Yuyan's tender vagina seemed to seize this opportunity; under the intense stimulation of the orgasm, her uterus contracted, causing the entire pink vaginal cavity to spasm and convulse, sucking and tightening!

Pfft —

Pfft pfft pfft

The fact that she ejaculated so incessantly on her first time being penetrated shows just how much lust Wang Yuyan had accumulated within her, and just how mature, seductive, and wanton her body truly was.

Warm, sticky fluid gushed onto Ying Ni's glans, so much so that it even mixed with her own first blood, forcibly squeezing out from the crevice of her vagina, which was blocked by Ying Ni's large penis.

Large amounts of vaginal fluid, mixed with blood, dripped onto Ying Ni's sharply defined muscles, intensifying the lewd atmosphere in the room.

Ying Ni showed no intention of stopping. His glans relentlessly penetrated the inner walls of Wang Yuyan's flower garden, causing his firm, erect penis to swell once more, stretching the walls of Wang Yuyan's vaginal cavity, which desperately wanted to return to its virginal tightness.

Pfft pfft —

Slap slap —

Although Wang Yuyan was sitting on Ying Ni's hips, it looked as if Ying Ni was forcibly fucking Wang Yuyan. It was hard to believe that Ying Ni could unleash such power during penetration.

As he thrust upwards, Wang Yuyan's already compressed buttocks, thick and juicy, would become even tighter. The waves of her buttocks would spread out with each thrust, attempting to absorb the force and try to stop the further penetration.

Unfortunately, Wang Yuyan underestimated the desires contained within her already ripened body. Her body, desperately craving to be impregnated, had no chance of truly resisting Ying Ni's enormous penis.

The virgin's vagina, forcibly stretched and widened by the penis, was less rejecting Ying Ni and more fawningly pleasing every part of that penis!

Whether it's the sacred cervix being penetrated, or the pink flesh of the vagina stretched wide by forced penetration, both are now fawning over the penis with loving sucking, constantly expressing their joy at being impregnated by this purplish-red cock.

"No, this is bad❤... Ohhhhhh❤... The force of this thrusting... Ohhhhhhh❤❤... My body... Why can't my body refuse❤... Just... Ohhhhhhh❤... Just... Just want to become his cock's matching meat pot❤... Ohhhhhhh❤... Chaoyang... Save me❤❤... I'm going to be fucked to death❤... Ohh..."

Wang Yuyan could feel her uterus trembling with each forceful thrust of Ying Ni. Her once-full-sperm-filled vagina, now completely adapted to the rhythm of Ying Ni's penis, was now spontaneously rubbing the fleshy walls against the veins and bulges on his penis.

Wang Yuyan's plump buttocks were repeatedly tossed aside by Ying Ni's thrusting hips upwards, then, accompanied by astonishing waves of fleshy slaps, she would fall back onto Ying Ni's hip bones, making clear, muffled slapping sounds, as if afraid that the muscular Ying Ni would be flattened by this fat-butt mare at any moment.

"Ugh...I'm going to cum!!" Ying Ni hadn't expected Wang Yuyan to be so clingy, so he enjoyed the wonderful feeling of being tightly enveloped and sucked by a virgin's tight little hole, and soon felt the urge to ejaculate.

Ignoring Wang Yuyan's resistance, Ying Ni forcefully pushed her off him onto Wang Chaoyang's bed, turning her over so she was like a mare with her limbs on the ground, facing away from him.

Her hands were still relentlessly digging into those wanton breasts.

The tentacle grabbed her ponytail and sat directly on her plump buttocks, its penis aimed at her tender opening and thrust in with a soft "plop."

Like a cavalryman riding a mare, Ying Ni successfully pinned the female general beneath him.

Fortunately, Ying Ni's penis was thick and long enough that he was still able to successfully insert it between Wang Yuyan's buttocks and into her vagina in this position. If it were an ordinary man, he really wouldn't have been able to penetrate Wang Yuyan's buttocks.

Clap clap clap clap —

Pfft pfft —

Pfft pfft pfft—

"Oh my god!!!❤ Don't pull...don't pull my hair❤...like this...like this it feels like I've turned into a mare❤...I...I'm not a mare❤...not❤❤...Oh my god...❤ Stop fucking me...don't fuck me like this❤...I can't take it...I want it❤...I can't take it anymore oh my god...❤"

Clap clap clap clap —

Puff puff puff pat pat pat—

Ying Ni was instantly overwhelmed with pleasure, ejaculating thick semen, and didn't care whether Wang Yuyan could handle it or not. Wang Yuyan's moans only further aroused Ying Ni's lust, causing his tentacles to pull even harder on her single ponytail, like a horse's reins, forcing her head back high.

Under Ying Ni's forceful thrusting, Wang Yuyan's two plump buttocks were pounded and slammed into waves of flesh, utterly powerless to resist and only able to endure the brutal pounding of Ying Ni's large penis.

Even through the ripples of her buttocks, Ying Ni's glans still managed to strike Wang Yuyan's uterine wall accurately and powerfully. The corona of his glans rubbed rapidly against the inner wall, causing Wang Yuyan to roll her eyes back in pleasure.

Inside the room, the wicked demon king sat atop Wang Yuyan's plump buttocks, relentlessly ravaging and conquering her, like riding a fine mare towards his goal of impregnation.

Each time he thrust in and out, Ying Ni's penis, as thick as a baby's arm, was visible. Even under the pressure of Wang Yuyan's virgin vaginal walls, he could thrust in and out with increasing pleasure and satisfaction, each thrust bringing forth copious amounts of vaginal fluid.

While others raise a cloud of dust on horseback, Ying Ni, riding Wang Yuyan's mare, splashes water everywhere.

At this moment, Wang Yuyan had completely become a large mare used to satisfy the male's pleasure of conquest and domination, a convenient sac of semen for ejaculation and seed-laying!

"Hiss...oh...oh...oh...I'm going to cum...catch it...you big mare...catch all my semen...let me penetrate your uterus and plant my seed in your good brother's room...catch it, catch it!!! Oh...oh...oh, I'm cumming!!!"

Ying Ni forcefully pressed his buttocks down, his powerful rear end creating a stark contrast with Wang Yuyan's plump, peach-shaped buttocks. Especially striking was the way Ying Ni was grabbing Wang Yuyan's ponytail – it was practically a perfect display of intent to impregnate her!

"Eee-ooh... This... aura... is something no other man could ever do... You... you demon king... how could you... ee-ooh... I... I'm going to come too... I'm going to cum... I'm going to be fucked by that big cock again... ee-ooh... I'm going to cum again... I'm going to cum again... I'm going to cum again... I'm going to cum again... I'm going to cum again... I'm going to cum again..."

Wang Yuyan was clearly being used by Ying Ni as a sex slave, but her body and soul were experiencing extreme pleasure. It made one wonder if mature female generals like her, with their voluptuous figures, were truly born to be convenient sperm-storing animals for male mares.

With a low, relieved growl, a thick, scalding stream of semen, like molten mud, gushed from Ying Ni's penis, its intense male urge to impregnate Wang Yuyan's ovaries assaulting her every single moment.

Pfft -

Puff

Puff

As if reaching the pinnacle of pleasure, Wang Yuyan's moans ceased, and the room fell silent, save for the soft, spurting sounds of semen erupting from her lower abdomen.

Pfft —

Pfft —

Pfft...

"Oh my god?!?! ❤❤～～～～～～～"

As the final sound of fertilization faded, Wang Yuyan let out a soft, relieved gasp.

At this moment, Ying Ni loosened her ponytail, and she collapsed onto Wang Chaoyang's bed, only her plump buttocks still slightly sticking out. This, along with Ying Ni, who was still lying on her buttocks, lifted her high. A large amount of vaginal fluid mixed with semen and blood gushed from Wang Yuyan's vaginal opening. If it weren't for Ying Ni's large penis blocking the way, she probably would have already experienced a gushing orgasm like a fountain.

Unlike normal males, even after ejaculating his first load of semen, Ying Ni still kept his penis deeply inside Wang Yuyan's womb. His glans swelled up again, like a male dog's ejaculation, effectively blocking the female's cervix!

No trace of semen should be allowed to flow back.

His ejaculate volume was several times that of a normal male, even the size of his penis and the quality of his sperm were different. This ejaculate would impregnate any female, let alone a perfectly fertile and fully mature female like Wang Yuyan.

Wang Yuyan gripped the white sheet tightly, her vagina convulsing and clenching around Ying Ni's large penis as the afterglow of her orgasm lingered. Beneath her was a pool of foul-smelling fluid, a mixture of virgin blood and thick, white semen.

Corrupted Heroes Chapter 34

Wang Yuyan looked at the photo of herself and Wang Chaoyang on the bedside table. Because her desires had been greatly satisfied, the pinkish-purple mist in her eyes thinned slightly.

"You, you actually! You really ejaculated inside...! I'll get pregnant!!"

Wang Yuyan released her lips from the bedsheet, turned around and glared fiercely at the scumbag demon king who had started thrusting his hips again, and roared in an unfriendly tone.

"What nonsense are you talking about? Internal ejaculation is part of the training, isn't that 'common sense'? ❤"

Ying Ni didn't mind, enjoying the passionate embrace of her honeyed orifice and his own penis. He carried her to the bedside table, making her stand as she had just stood in front of the urinal.

"Oh my god...❤ What you said...is...wrong...!"

Wang Yuyan's eyes reflected the happy photo. Under the double blow of losing her virginity and being ejaculated inside, the emotions that had been building up broke free, and her thoughts surprisingly began to function normally again.

'How could it have turned out like this... even my virginity was taken by the Demon King... and he ejaculated inside me... this situation... is definitely not normal! It's very strange!!... something is definitely wrong!'

Ying Ni, however, began to thrust impatiently again.

"Ah! Anyone else might need a rest... but you, my rouge mare, are clearly not satisfied yet, hahaha!"

He continued to fondle and knead those large breasts, his tone frivolous and provocative.

"You! Stop...something's not right...this is..."

Wang Yuyan clenched her teeth tightly, her mind becoming somewhat chaotic again due to Ying Ni's thrusting.

"Oh my god... Oh my god, oh..."

Wang Yuyan kept trying to grasp that sense of unease and disorientation in her mind.

"Damn, you're cowering even tighter in front of this loser's picture!! I can't take it, it feels so good ❤"

Ying Ni, on the other hand, enjoyed the pleasure of being an NTR agent.

"I'm telling you... you just ejaculated and you're already treating me like a toy... making me stand in front of a photo with the sunrise and playing with my breasts like this... oh my god❤... eh?... ugh❤"

The pinkish-purple hues in her eyes were once again reclaimed by the pure, azure blue.

'Ugh...❤ It's such a lewd and vulgar act, it's really disgusting...but I'm so aroused? Ugh...but it hurt so much when this bastard took my body!'

Her eyes kept reflecting the gentle face in Wang Chaoyang's photograph.

"Ugh... Eek ❤ Why... Huff ❤"

Her voice was still alluring, but it seemed she had grasped something.

'Ugh... Pull yourself together...!! I'm starting to get a clue... Chaoyang... Chaoyang!! I just... transferred my feelings for Chaoyang to Ying Ni in the form of an orgasm?!! ...How could I be so stupid today... to be... done to by this disgusting demon king...'

She consciously began to bite down on the vile sounds that kept escaping her lips, and started to struggle again.

"Stop right there! Hey! Ying Ni!! Get off me right now!! Training is over!"

Her resistance was so fierce and direct that Ying Ni finally realized something was wrong.

"What's wrong with you? Why are you suddenly struggling so violently... Could it be..."

Ying Ni's movements slowed down, which actually allowed Wang Yuyan to regain her composure more quickly.

"Ugh... I can't muster any strength... You disgusting monster demon king!! I know exactly what you're doing! Let me go right now!!"

Ying Ni frowned deeply. He could see that Wang Yuyan was slowly regaining her senses, but now he realized he might not be able to defeat her in a direct confrontation. He understood that things had gone awry.

"Oh my god, oh my god, eeeeeeeeeeeeeeeee?!?!❤❤～～～～～～～"

In a moment of desperation, Ying Ni roughly pulled his fingers out of the other woman's nipple and grabbed the hard nipple that sprang out with them.

"Since you've managed to regain your consciousness at this point, there's really no other way!! I can only fuck you until you're the most despicable woman imaginable! Give me that ultimate pleasure!!"

Wang Yuyan uncontrollably leaned back and gushed out!

'Ahhhhhh!! This damned demon king... his actions are so barbaric! My love is so good... my love juices are gushing out uncontrollably... my love for the rising sun is being expelled... Ouch!! ❤No, you can't take it away❤ take away my love for the rising sun❤❤'

Overwhelmed by pleasure, her nipples throbbed, and her small tongue darted out of her mouth, drooling as Wang Yuyan's head snapped back, tracing a perfect semi-circle in the air.

"My consciousness...is being overrun...my nipples are so...powerful...this kind of slutty sex...I'm going to die...I'm going to be fucked to death by this big cock...it feels so good..."

Ying Ni was satisfied with the completion of the lewd Wang Yuyan.

"Hiss, hahaha❤ That was close, that was close. You actually managed to wake up under those circumstances?" Ying Ni looked at the photo of the siblings and revealed a dark, wicked smile: "The terrifying power of righteous bonds, huh? But...❤ I still have to succumb to the pleasure!! Hahahaha!"

Although Wang Yuyan managed to break free from the brainwashing thanks to her strong willpower and unwavering love for Wang Chaoyang, she couldn't resist the overwhelming pleasure and reverted to her lewd ways.

"Hmph... Hmph. Is that all?... Eewoo ❤ Watch me!"

Wang Yuyan's eyes once again shone with a captivating purplish-pink light, and the pink hearts within them seemed even more tangible than before.

"Hooray! This scene is truly lewd..."

Ying Ni watched as the cold beauty in his arms began to actively sway her large breasts, splashing sweat and love fluid everywhere. The most heavily soiled area was the photo of her and her sworn brother in front of her.

"How was it?! Oh my god❤ Wasn't it great? My toned, sexy waist and blue-stockinged legs, combined with the fat on my buttocks, created an outrageous and shameless... sex that abandons female dignity❤ You actually won the game before, but I was careless! This time it's different! Hehehe❤"

Ying Ni, feeling Wang Yuyan's increasingly intense sucking on his flesh as she actively cooperated, watched as she sprayed her own juices onto the photograph that could awaken her will, and he fucked her even more excitedly.

"Oh?! I see. But the bet is already in effect, and I'll keep my promise. However, since you're so interested... let's have another match. If you win, I'll obey your orders... but if you lose..."

Ying Ni slapped the other woman's beautiful buttocks a few times forcefully, his thoughts obvious.

"Looks like you're really interested in training like this with me ❤ Oh yeah ❤ Well then... I accept your challenge ❤ Woohoo ❤"

Then came the incessant slapping sounds, each fierce thud like a hammer being used to forge and recast Wang Yuyan's plump vulva, revealing the true nature of this alluring female warrior as a top-quality mare.

If Wang Chaoyang were to see that the deep blue, single-tailed mare constantly writhing her hips to accommodate the thrusting of Ying Ni's penis behind her was actually his taciturn sister Yuyan, being used as a penis sheath by a vulgar and evil demon king, he would probably immediately ejaculate his thin semen and then faint from pleasure.

Wang Yuyan's service as a mare instantly increased Ying Ni's thrusting speed to another level; the brutal piston-like pumping caused the large mare to experience an overwhelming surge of pleasure!

"So...so amazing❤...Even though...even though I'm being treated like a female animal, with such brutal mating❤...I...❤Ohhhhhh...I don't feel any disgust❤...Ahhh...On the contrary...Ohhhhhh❤...On the contrary, my fat hole is feeling good on its own❤...Why...I...Don't I prefer the morning sun❤❤...Why ohhhhhh❤...Why have I started to like this big cock on my own ohh..."

At that moment, Ying Ni grabbed Wang Yuyan's jet-black ponytail and pulled it back sharply, like the reins of a wild horse, forcing her head back high and slamming her lustful, aroused face against the photograph on the bedside table.

Before Wang Yuyan could react, Ying Ni's body slammed forward forcefully, instantly causing her buttocks to tremble and ripple.

No matter how Wang Yuyan tried to please him, every time Ying Ni used his huge penis to fuck her, the more she tried to resist, the tighter her fleshy vagina gripped that penis!

And at this moment, Ying Ni's penis seemed to become the master of her plump vagina, rapidly thrusting and pounding, branding his mark all over her pink vaginal walls, his bastard semen filling every inch of her vaginal flesh!

With each thrust of Ying Ni's penis, the uterine cavity, trapped by the glans, was stretched and deformed, only to return to its original shape with each re-entry. The thick, long penis rubbed against the inner walls of the vagina, while the massive glans forcefully pressed against Wang Yuyan's uterine wall.

It was clear that both of them were about to reach another climax.

"You slutty president, I...I'm going to cum again...!"

Upon hearing Ying Ni shout that he was about to ejaculate, Wang Yuyan's movements became even more frantic, and she continuously exhaled slightly pinkish breaths.

"Eee-oh-oh-oh!!❤ Quick...that's right...I...I want to cum too, no...oh-oh-oh...I won't lose to you again...shoot it into me...shoot it all into me...I'm your big mare...breeding mare...even...even if I have to give up my love for the rising sun?!!❤❤Eee-oh-oh-oh-oh-oh-oh-oh?!!!...Splash...splash...on this big cock...I will...defeat you too, hee-hee?!!! Ahhhhh...so big, so good❤...ohhhhh, your big cock...inside my uterus, ohhhh...it's burning hot...ahhhhhhhhhh..."

Wang Yuyan's buttocks swayed rhythmically with each thrust from Ying Ni, producing muffled slapping sounds, while simultaneously, a continuous dripping sound, like raindrops, filled the air.

'Such intense sex ❤ I'm on the verge of orgasm ❤'

Unexpectedly, Ying Ni launched a sudden attack, abruptly pinching her two already erect nipples, which had already reached their G-spots. Wang Yuyan instantly ejaculated as if she were urinating standing up, right in front of the photograph on the bedside table.

"Aww! All my love for the rising sun and my lustful fluids have sprayed out, all of it has come out!"

Wang Yuyan could no longer control herself and climaxed again, tilting her head back.

"My uterus completely enveloped my glans!!!! I ejaculated!!!"

Thick, hot semen erupted again within Wang Yuyan's womb, instantly plunging her into an overwhelming wave of pleasure.

"Ah...ah ah❤...I'm shooting again...ah ee❤...inside the uterus...ha ee❤ha ma ha ah..."

The suffocating pleasure of being suffocated and ejaculated inside by the Demon King's glans was far beyond Wang Yuyan's limits. Her previously cold and aloof face towards Ying Ni became indescribably alluring and seductive. Pleasant moans escaped her lips, and her blue-silk-clad legs trembled as if they might collapse at any moment. A large amount of vaginal fluid mixed with Ying Ni's thick semen gushed from deep within her uterus, attempting to be squeezed out through the cervix corroded by the glans.

The peak pleasure of sex and the immoral thrill of being in Wang Chaoyang's dormitory simultaneously assaulted Wang Yuyan's mind.

Pupu

Thick semen mixed with copious amounts of vaginal fluid clung to the photograph of Wang Chaoyang and his lover, completely obscuring Wang Chaoyang's image. Under the light, the cool, aloof smile on

Wang Yuyan's face was now overshadowed by her ugly, despicable expression reflected in the mirrored frame.

"Hehehe...hehe, I almost lost...looks like I won again, you slut!"

Wang Yuyan was grabbed from behind by the tall and imposing Ying Ni, who pinched her nipples and held her in his arms, forcefully ejaculating inside her. Although she was strong enough to easily break free, she had no intention of doing so, completely allowing this giant-penis demon king to complete the final stage of their sexual union.

"Ah...❤Really...amazing...my opinion of you has changed a little...❤Ying Ni...hmm...I can't believe that a scumbag like you, a man who tramples on women's dignity so wantonly...can actually be so manly...❤"

Two crystal-clear tears welled up in Wang Yuyan's eyes, tears of extreme pleasure. Her delicate body convulsed and trembled with jealousy, her smooth, alluring body pressed tightly against Ying Ni's firm muscles.

"Weren't you pretty arrogant before? Weren't you carrying the pride of a Super Beast Warrior? Hmph, damn it, I suddenly need to pee... I'll just pee right into your mare's fleshy turd, ooh ❤"

Drizzle, drizzle, splash...

"Pfft❤ You actually treated a girl's most sacred uterus like your own personal urinal... You're such a rotten man❤ Ah... being treated so badly... I'm going to... go again❤"

Under hypnotic suggestion, she not only climaxed, but also urinated, spilling urine onto the photo frame on the bedside table, staining the picture of her and Wang Chaoyang with her own animalistic stench.

"Ahhh...it's out...my emotional bond with Chaoyang has turned into this despicable pee, all of it spilled onto our precious memories ❤ I've become as despicable as scum ❤ Hehe...❤ Ah...it's coming again... *gulp hehe* ❤"

Wang Yuyan's eyes were fixed straight up, rolled upwards to their limit, and snot dripped from her nostrils, running down her philtrum and onto her lips.

She bit her upper lip tightly, seemingly trying to stop her already crumbling ahegao from crumbling, but this only became the finishing touch; the corners of her mouth unconsciously turned upwards, ultimately forming a perfect, climactic ahegao.

"Heh, don't worry. I'll train you into the worst, most filthy woman who only obeys my cock."

A beautiful thread of saliva gathered on her chin, swaying haphazardly in the air.

"There's still some time left, so grant me a few more requests, how about it, you defeated slut?"

Ying Ni actually wanted to enjoy the pleasures of this slutty mare all night long... but the remaining brainwashing time was running out... he didn't want all his efforts for the night to go to waste.

"Hehe...no problem...it's an agreement after all...a weakling like me who keeps failing at orgasms. As the winner, it wouldn't be right not to teach me a lesson..."

Wang Yuyan's last shred of reason allowed her to take one last look at the photo of herself and Wang Chaoyang, stained with her own semen, vaginal fluid, and urine.

'...I'm sorry...Chaoyang...I've been turned into...a shameless woman...'

But soon, under the influence of brainwashing and hypnosis, an even more intense pleasure completely obliterated this rationality...

Corrupted Heroes Chapter 35

Ying Ni turned Wang Yuyan around and hugged her tightly. Wang Yuyan instinctively wrapped her arms around the back of Ying Ni's neck and her legs around his waist.

"Waaaaahh..."

She was pressed against the wall by Ying Ni, their bodies pressed tightly together... the hot, masculine scent of him constantly brushing against her delicate, beautiful face.

"You seem even more nervous than when you lost your virginity, hehe ❤"

Their foreheads touched, and Ying Ni excitedly erected his engorged penis, which had already been used countless times.

"Hoo...❤Hoo...❤You smell so bad❤Your breath...hoo hoo❤"

This was actually a lie; Ying Ni's overwhelming masculine heat, radiating a sense of conquest, caused large beads of sweat to constantly appear on Wang Yuyan's face.

She gazed into his captivating eyes, wanting to completely capture that domineering and aggressive gaze, until her own reflection was mirrored within them.

"But... that face that I still hated just now actually looks kind of handsome now."

She was also exhaling the same hot breath, and the mixed pheromones made Wang Yuyan's brain flush pink, so much so that she let the semen mixed with urine drip onto the bedside table.

The room's owners had originally hoped to fall asleep peacefully under the watchful eyes of their family and friends each night, but now it seems to have become a kind of playful intimacy between the two of them.

"I'm so glad to hear you say that...President Yuyan..."

Wang Yuyan's firm nose touched Ying Ni's nose, her small mouth slightly open.

"This is my first time kissing... Please be as gentle as possible with me..."

Her expression grew increasingly infatuated, and Ying Ni's figure drew ever closer in her eyes.

"Understood...❤"

Puchiu wuwuwuwuwu!

The words had barely left her lips when the man unceremoniously captured her pink lips in a passionate kiss.

"Mmm puff woo woo woo woo woo woo ❤ mmm huff woo woo woo woo woo woo woo ❤"

Wang Yuyan closed her eyes; the romantic kiss she had anticipated turned into a wanton and lewd affair under Ying Ni's aggressive kissing technique.

'That wicked devil! He stole my first kiss with such a lewd and crude kissing technique!❤ This kiss... it's practically like he's making love to my mouth with his tongue! That scumbag... I wonder how many girls he's ruined with this kind of kissing... But he truly is... the man who captivated me, just this... is enough to bring me to orgasm...❤'

The more erotic the treatment Wang Yuyan received, the more excited she became, especially since the devilish demon king's erect penis was still inside her.

"Mmm...the mare's first time...it's all mine, top and bottom...mmm ❤"

Ying Ni guided the other's clumsy movements with her tongue, subtly teaching this erotic kissing technique to the student council president of St. Francis Academy, who had gained a large following for her aloof and ethereal demeanor.

"Hoo-hoo❤ You're getting a little too cocky... Your stinky mouth, it stinks... it's disgusting... even stinkier than your semen... umm❤"

Even though she would intertwine her tongue with the other person's when speaking, she uttered such a flimsy lie, revealing that Wang Yuyan, in a sense, was actually a spoiled little girl at heart.

'My mouth...it tastes so good...the masculine scent is so strong! If it were just now...I might have been overwhelmed by this scent and spat it out...but why...does this smell feel so captivating now...ah...my tongue...it's captured!'

Puji puchi chu luwu ❤

"Hoo...the president's saliva...it smells so good...❤ It feels like drinking sweet mountain spring water, I could drink it forever...mmm...glug glug❤"

Both gradually shed their shyness and began to actively respond to each other's tongue movements.

"Hmph, you are...you really stink...slurp slurp❤"

With Wang Yuyan's soft tongue firmly locked inside Ying Ni's mouth, she simply gave up on trying to pull it back. Instead, she kept circling Ying Ni's tongue with her own, emitting seductive sounds unique to females.

'Ahhh...I can't take it...❤So all couples in the world do such shameless and lewd things...My lips and tongue have turned into a vagina and a penis like this❤Being so brazenly violated and conquered by a male...I'm even afraid I'll get addicted if it happens a few more times...❤'

She opened her eyes and saw Ying Ni's very handsome face. Her hands, which were wrapped around the back of his neck, unconsciously tightened their grip.

"However... I... don't dislike... hiss❤"

Ying Ni chuckled softly, almost imperceptibly, and responded with an even more passionate kiss.

Crack! Crack!

"Mmm... Hey! Your saliva... is all over my face ❤ Slurp... ❤ Mmm ❤"

Wang Yuyan frowned slightly and glared at the man in front of her with annoyance.

"Hehe pfft...❤ Mmm... Ooh-hoo❤"

The increasingly brazen Ying Ni opened his eyes and raised an eyebrow at Wang Yuyan.

"Mmm! Ugh... Mmm, sob sob ❤❤"

The kiss grew even more passionate, as if Ying Ni had deliberately splattered saliva on Wang Yuyan's face to mark her as his own.

'It seems you're asserting that I'm everything to him... Although your kissing skills are very pleasant... I don't belong to you, you wicked devil ❤'

Seemingly sensing Wang Yuyan's inner thoughts, Ying Ni's eyes flashed fiercely.

"Having your mare, the club president, do the special training was definitely the right decision... Hmm ❤ But... I've actually considered... training with your other team members ❤"

"Hmph?!...❤What did you say❤❤?! Ugh❤Oh❤"

Upon hearing this, Wang Yuyan glared at Ying Ni with displeasure, and her vagina suddenly tightened around Ying Ni's penis.

'...! This guy actually wants to train with the other Super Beast Warriors...? I...❤Hmph! Why do I feel so annoyed...? This despicable scumbag demon king❤'

Upon hearing this, Wang Yuyan no longer cared about the saliva dripping down her face.

"Chirp chirp lu o❤ mmm puff❤ oop puff woo woo❤❤"

This time, it was Wang Yuyan's turn to take the initiative, entangling her tongue with the other person's and spraying saliva at them.

'Ugh... now it makes me look like I'm jealous. But it's not what you think, sworn brother... I'm going to...'

"Hoo—❤Hoo—❤! You scumbag demon king...I absolutely, absolutely...won't let you lay a hand on the other team members! A lewd man like you...I'll be your opponent until you repent...and stop doing evil...hmm hoo hoo❤"

Although she knew perfectly well that this would cause her to lose her love for Wang Chaoyang.

'What am I saying... ah ❤ But it feels... so intense, so romantic yet so lewd... I don't want to stop... it's so satisfying... mmm ❤'

Ying Ni passively accepted the other party's mark, and only then did a smile return to his eyes.

"That's a good girl... my dear Yuyan... mmm ❤"

Wang Yuyan, however, continued the passionate kiss even more intensely!

"Ughhhhhh!!! ❤❤"

'What...is this...being called by this scumbag demon king's real name...yet my head feels incredibly numb...something's about to happen❤❤This feeling...is going to...❤!'

The pink hearts in Wang Yuyan's eyes kept pounding, then began to uncontrollably turn upwards, revealing an ahegao.

"Hoo-hoo hoo..."

This time, her small mouth tightly gripped Ying Ni's tongue, her whole body trembling uncontrollably. Her hands unconsciously tightened, drawing Ying Ni closer to her.

"Hoo hoo... gurgle ❤ You can even climax from just kissing me... Looks like you, this big mare, really enjoy my French kisses... hehe ❤"

The air between them mingled and became salty and sticky as they continued kissing. Those scents flooded their brains, stirring up their most primal instincts.

"Ah...hahaha...you...are really pretty amazing...I'd like to play with you a little longer...ooh❤"

Ying Ni's hands encircled her slender waist, kneading her lewd, plump buttocks. Wang Yuyan's legs were already wrapped around Ying Ni's strong waist, relying entirely on him for balance.

'Ah... I hate to admit it, but his kissing skills... filled me with a sense of satisfaction and happiness... just like when I'm with Chaoyang...'

In the end, it was Ying Ni who took the initiative to end this lewd kissing scene, freeing the weak and exhausted Wang Yuyan from his embrace, and making her kneel before him.

He then sat on the edge of the bed and slammed his still-erect penis in front of Wang Yuyan.

"Hmm?"

Wang Yuyan clearly hadn't realized what was going on, and her face remained that of a sow experiencing orgasm.

"Phew... half an hour left... so with the remaining time... lick this place clean for me!"

What appeared before Wang Yuyan was no longer the smirking lips, but a foul-smelling penis. She just stared at it... inhaling the stench emanating from it...

"Oral sex for cleaning... and that strong smell again... ugh ❤... it was just inside my pussy, and now I have to lick your mouth that you just kissed... you're truly the most perverted man I've ever met ❤"

Contrary to her words, Wang Yuyan's beautiful eyes were fixed intently on the engorged penis in front of her.

"Ahhhhh... Hmm hmm hmm hmm... Hah..."

Ying Ni took a deep, comfortable breath, a smile playing on his lips.

"Haha❤ The president's oral sex service... a scene that so many men can only dream of... it's truly delightful❤"

Wang Yuyan was now serving the demon king with her lips, sucking greedily on his penis.

'I thought it would be really uncomfortable... I didn't expect such a perverted act... I'm so excited my brain is trembling... Hehe❤ Waaah❤'

A thick, dark male pubic hair had somehow gotten stuck to the corner of her mouth, making her face, which was engaged in oral sex, look even more lewd and depraved.

"Shoot! Shoot! Ejaculate quickly, you little devil king!"

Her tongue, unusually agile from the recent kiss, began to rotate repeatedly around the erect glans, accompanied by lewd, hissing sounds.

"Wow, you're even better at sucking than Yuying when you're doing that tongue-twisting technique!"

Thanks to the knowledge gained from brainwashing, her hand effortlessly grasped the lower half of the shaft and began gently stroking it. Her other hand wasn't idle either; she began mimicking Ying Ni's technique, rubbing her own nipples.

"Mmm ❤ Hehehe... Pfft, woohoo woohoo woohoo ❤"

Ying Ni naturally placed his large hand on Wang Yuyan's breasts and gently kneaded them, but this caress between lovers became the clarion call for Wang Yuyan to take things further.

"Mmm, boo-hoo, pfft❤ Mmm, hoo-hoo~~ Mmm, umm❤❤"

Sizzle❤ *Sizzle*❤ *Sizzle*❤ *Sizzle*❤

The sound of saliva rubbing against the penis, the sound of air being expelled from the lips.

"Oh ho❤ Your cheeks are all distorted from sucking... You've turned into a lewd horse face❤ You truly live up to your name as a slutty mare❤ But this vile face can only be appreciated by me! Only by me!"

In response to Ying Ni's domineering and possessive statement, Wang Yuyan responded with an even more erotic deep-throat oral sex act.

"Mmm huff huff ❤ Mmm woo woo woo woo ❤"

She had no idea how she managed to swallow most of Ying Ni's penis into her mouth and thrust in and out on her first time; all she knew was that her once pure eyes were now completely transformed into a ridiculous cross-eyed look.

Her eyes seemed glued to Ying Ni's penis.

'Hehe...couldn't hold back anymore, could you...look at this little devil's deep breath, it's really exaggerated...mmm❤Now's the hero's counterattack❤Show that lewd expression and ejaculate while experiencing the ultimate pleasure of deepthroating! Hehehe❤'

"Mmm, oh my god❤ Huh, puff, oh, woo❤ Mmm, boo, hoo❤"

Wang Yuyan's mouth tightly enveloped the penis, feeling the swelling sensation as it continuously surged outwards. Her red, fragrant tongue emerged from beneath the penis, its long length serving as a cushion against its shaft. As the penis thrust forcefully into her mouth, her tongue would curl upwards and suck, giving the penis a forward push.

"Oh my... I fucking shot it all into your mouth, you slutty mare!... Oh ho❤"

Ying Ni barely exerted any effort throughout; Wang Yuyan simply used her beautiful lips to cover most of Ying Ni's penis, with the glans pressing directly against her throat. From Wang Yuyan's side, a noticeable bulge could be seen at the location of her throat.

"Oh, oh, oh, oh, oh, oh... oh... oh,..."

Pfft—❤Eek! Waaah❤❤

There were obvious swallowing marks in her throat, but even more thick semen continued to gush from around her lips, some even flowing directly from her nostrils...

'Ugh... I just tried swallowing a small amount of the thick semen, and even though my taste buds told me it was bitter, I still got a slight orgasm from the excitement ❤ But... I finally won this time... Hehe... I should have used this vacuum sucking technique from the beginning, hehe.'

Wang Yuyan waited for almost half a minute before the other person's ejaculation gradually stopped, her mouth filled with semen.

She tilted her head slightly, seemingly showing Ying Ni the remaining food in her mouth, and then swirled it around in her mouth with her small tongue...

Whoosh, gurgle, gurgle...

"Hehehe❤ This tastes really... Ah ee❤ Mmm mmm❤"

Her expression was as if she were slowly savoring the semen of her most beloved, her throat moving rhythmically with a blissful expression. This caused Ying Ni, watching her lewd act of swallowing semen, to ejaculate the last of his semen onto her face.

The brainwashing session was almost over. Ying Ni looked at the wanton Wang Yuyan beneath him, then at the photo of Wang Yuyan mixed with his semen and her own fluids.

He began to look forward to the upcoming 'special training' period.

This aloof woman would eventually be transformed by Ying Ni, becoming his one and only mare...
