

Dreamland Pitch

Author: James "Dragon Master" Courneya

Genres: Adventure, Horror, Psychological.

Page Count: #

Logline:

A land made of people's subconsciousness. Those who gain control of their own slices of Dreamland and use their new found abilities to affect others. They are called Sandman/Sandmen. The main character awakens from a coma (which left them in Dreamland) and find themselves becoming a Sandman with the help of a guide.
