

## ACP Career Readiness Resource Learning Guide – Goal #2

### ACP Career Readiness Goal #2:

Investigate our District's Career Readiness Data and Investigate the Root Cause of Identified Gaps

Resource Title with embedded link:	Type of Resource:	Description:	Resource Audience (and grade level if applicable):
<a href="#">Using Career Readiness Data to Measure ACP Quality, Effectiveness &amp; Equity</a>	Presentation Slide Deck	This resource is a presentation that summarizes data from the WEC evaluation and survey reports. Links are provided to an ACP evaluation guidance document and sample evaluation plan. The WEC evaluation includes an investigation around equity and ACP.	District Career Readiness Team
<a href="#">WEC Evaluations</a>	Reports	Annual ACP Reports, with executive summaries, on findings from the ongoing statewide evaluation of ACP. Separate reports for the annual survey.	District ACP leadership team
<a href="#">ACP Evaluation Toolkit</a>	Toolkit	A set of tools and guidance for schools/districts to use to evaluate their local ACP efforts Scroll down to "Evaluation Toolkit" on the webpage	District Career Readiness Team
<a href="#">About Reports in Xello 6-12</a>	Web Guide	Xello's Reports tool is a powerful aid in getting the big data about your students and their progress and engagement. Easily track how many students have signed in and how often, how many students have completed their assignments, and how many have saved careers and options.	District Career Readiness Team

<a href="#">ACP Community of Practice</a>	Webinar	<p>Scroll down to the accordion file titled “<b>Career Readiness Indicators: Using Data</b>,” where you will find the recorded webinar, slide deck, and additional resources. This webinar includes information on what data is available to evaluate your ACP program and where to find it within WISEdash.</p>	District Career Readiness Team
<a href="#">Hosting a Data Walk</a>	Toolkit	<p>A data walk is a powerful process for engaging diverse stakeholders in a shared sense-making process around data. Created by The Urban Institute, Data Walks are an interactive way of sharing data and research with stakeholders.</p> <p>This data walk tool will build knowledge and data capacity, engage and empower residents, and encourage dialogue and mutual understanding with diverse perspectives.</p>	District Career Readiness Team
<a href="#">Root Cause Analysis: The 5 Best Tools with Examples and Steps</a>	Article with activities	<p>In this article I’ll show you the 5 best tools used by the most successful and innovative companies today – companies like Google, Toyota, and GE.</p> <p>We’ll also go over plenty of examples so it’s crystal clear how to use these tools in your professional and personal lives.</p>	District Career Readiness Team
<a href="#">CESA 10 College &amp; Career Readiness</a> 	Website	<p>CESA 10 districts who are part of the Perkins V consortium will be provided additional support for their career education data indicators. Please reach out to the CESA 10 College &amp; Career Readiness team for additional information.</p>	District Career Readiness Team

**Guiding Questions:**

- 1) What information is provided in the resource(s) that will help fulfill your ACP/Career Readiness Goal?
- 2) How can you integrate this new information into your current efforts? How does this resource fit within your current ACP model?
- 3) Are there ways to modify this resource in order to effectively use it for your context, purpose, and goal attainment?
- 4) What next steps can you take toward goal attainment as a result of this resource? What actions will stakeholders take?
- 5) How will you measure if your actions have been successful in achieving your goal?
