

# Raoul Wallenberg High School

## Counseling Department

Main Phone: 415-749-3469

Fax: 415-346-7303

### Vision

*Our vision is to support the self-awareness and skill development that will lead students to be productive, responsible citizens that value growth, empathy, respect, diversity, and contribute to their community.*

### Mission

*The mission of the Wallenberg School Counseling Department is to support students' academic, career, and personal/social development. By building meaningful relationships with students and collaborating with stakeholders, our goal is to prepare each student for post-secondary success, community engagement, and the pursuit of lifelong learning.*

### What Areas Do We Support Students?

**Academics**

**College & Career**

**Social-Emotional**

### Did You Know?

School counseling professionals have special training in education and mental health.

They focus on the whole child through a comprehensive program that meets the needs of all students.

School counselors advocate, mediate, coordinate, consult, lead, and collaborate with teachers, administrators, and families to help students be successful.

Professional school counselors are often busy working with students in the following ways:

- Facilitating interventions for at-risk students
- Providing one-on-one counseling
- Coordinating schoolwide activities and initiatives
- Attending school meetings and district trainings
- Teaching classroom lessons for college planning, career exploration, and developing professional skills
- Consulting with teachers and families
- Monitoring academic progress towards college and career goals
