September 2026

Dear Thurston Parents/Guardians:

On behalf of the faculty and staff of Thurston Middle School, I invite you to attend our annual Curriculum Night on Thursday, September 17, 2026, from 6:00 – 8:00 p.m. Doors will open at 5:50 p.m.

Curriculum Night is a fun community event where you have an opportunity to experience a day in the life of your child(ren), meet their teachers, and learn more about what they will be learning about this year!

Please note: Curriculum Night is not for students/children to attend.

Below you will find some important information about Curriculum Night.

Parking

Please arrive early so that you have adequate time to find parking. Limited parking is on the TMS property. Parking is available across the street at St. Margaret Mary's Church. Please do not park at the Council on Aging (Nahatan Street); those spaces need to remain accessible for events taking place within that building.
