

Hunters' Star Quilt Supply List

With Lynne Turner-Liro

Monday December 15th & January 12th, 10:00 – 2:00

The classic Hunter's Star quilt pattern is one of the most versatile designs. As in a Log Cabin quilt, changes in the number of colors and their placement varies the overall design.

For this class, you may choose either a 2-color or 3-color project. Keep in mind that "color" can be a single fabric, or multiple fabrics of the same value (light to dark). More information is available in the Supply List.

The class will meet two times with cutting homework required before the first class and catch-up homework before the second.
