

Privacy Policy – CaptionThis

Effective Date: October 3, 2025

At **CaptionThis**, your privacy is our top priority. This Privacy Policy explains how we collect, use, and protect your information when you use our app. By using CaptionThis, you agree to the practices described below.

1. Information We Collect

User Input Images

When you upload an image to generate captions or remix images, we process the image using **Google Gemini AI**. Importantly:

- We **do not store, save, or share your images**.
- Images are **temporarily transmitted** to Google Gemini for processing and then discarded immediately.

Other Information

CaptionThis may collect technical information necessary to provide and maintain the service, such as device type and app version, but **this does not include personal content**.

2. How We Use Your Data

- Your uploaded images are used **only to generate captions or remixed images** via Google Gemini.
- We **do not use your images for advertising, analytics, or third-party sharing**.

3. Data Security

- All images are transmitted using **secure, encrypted connections (HTTPS)**.
- We implement reasonable technical and administrative measures to protect data while it is in transit.
- No images or outputs are stored on our servers after processing.

4. Third-Party Services

- CaptionThis relies on **Google Gemini** for AI processing. By using the app, you acknowledge that your images are temporarily processed by Google's AI service.
- We only transmit images to Google Gemini and do not share them with other parties.

5. Children's Privacy

- CaptionThis is **not intended for children under 13**.
- We do not knowingly collect personal information from children.

6. Changes to This Privacy Policy

- We may update this Privacy Policy from time to time.

- Any changes will be posted in the app with a new **effective date**.
 - We encourage users to review the policy periodically.
