

## How to use NEOED as a Search Committee Chair Interview & Hire

When applicants are under your review, you can see the action that needs to be taken on your “Tasks” dashboard under the title “Recruiting Review”

The screenshot shows the NEOED dashboard interface. At the top, there is a navigation bar with the University of Central Missouri logo, a 'Dashboard' dropdown menu, and a search bar. On the left side, there is a vertical navigation menu with icons and labels for 'Dashboard', 'Tasks', 'People', 'Performance', 'Training', 'Recruiting', 'Onboard', 'Forms', and 'Reports'. The main content area is titled 'Dashboard' and features a 'Tasks' section. This section includes a 'View All (2)' link, a progress indicator for 'To-Do (2)' and 'Overdue (0)', and a filter for 'View my tasks related to:' with options for 'All', 'Myself', and 'Others'. A task card is visible, titled 'RECRUITING - APPROVAL'. Below it, another task card is highlighted with a red border, titled 'RECRUITING - REVIEW' with a due date of 'Due 10/15/24'. This card includes a user icon 'BW' and the text 'Review: Senior Strategic Human Resources Partner (...)', 'Department: Human Resources', and 'Candidates: 2'.

When you click on the task, it will take you to an overview of the requisition, the candidates, and the rating system.

You can see that the candidates must have 3 stars to pass the initial screening.

OFF ON ACTIVATE

Once you have a reference back that you are comfortable with and ready to accept, you can move your candidate to the “Conditional Offer” step.

It is recommended that when you have moved your candidate to “Conditional Offer” to send your HR Partner an email letting them know you are ready for the next steps of the process. Otherwise, our office receives reports consisting of employees in this step of the process on Tuesday & Thursday mornings before noon to notify us of proceeding with the process, as below:

**If you are hiring a staff member:**

The Office of Human Resources will proceed with a conditional offer & background check as quickly as possible. There is nothing further you need to initiate at this point to proceed with hiring.

**If you are hiring a faculty member:**

It is important to also submit the completed [A&E Form](#), as well as all required hiring documents, to your applicable Dean’s Office. The Office of Human Resources will not proceed any further with the candidates conditional offer or background check until the A&E & all documentation has been received & signed by all applicable parties.

**If you are hiring a student employee:**

As soon as you move your candidate to “conditional offer”, it is important to also submit the first half of the EPAF. Both parts of the process will need to be completed in tandem to ensure your employee is onboarded correctly.

**If you are hiring a graduate assistant:**

The Office of Human Resources will move your selected candidate through the approval process, to include the applicable Dean/Director, Graduate Studies Office, and back to Human Resources for final processing.
