PROJECTS

Night Job (2022) —Short Film

Conceptualized, Storyboarded, and Animated a 3-minute short film for my thesis project depicting the effects of overworking in crunch culture.

Compromises (2022) - 24 Hour Animation Challenge

Created a 30-second animation in 24 hours with a team of 4 students. The animation focuses on the new normal after the Covid-19 Pandemic. The animation can be viewed [here](#).

Hole (2021) —Music Video

Conceptualized, Storyboarded, and Animated a 2-minute short music video. The animation can be viewed [here](#).

Connections (2021) - Short Animation

Created a time-based artwork for the Yonge-Dundas Square 2021 Public Art Exhibition. The animation focuses on the isolation and quarantine of the Covid-19 Pandemic. The animation can be viewed [here](#).

Shinobi Showdown (2017) - Video Game

Designed all characters and art, created assets for an indie video game competition with a team of 5 students about a ninja-themed fighting game.
