

Macalester College - Hamre Center for Health & Wellness Charges 2024-25

You will not be charged for an office visit when you are seen in the Hamre Center. You will be charged for prescript lab/blood work, vaccinations, physical exams, and simple procedures. If you are enrolled in the United HealthCare Student Resources Plan, these charges will be submitted for you as they are covered at 100%. If you have other health insurance, these charges will be billed to your student account. An itemized statement will be emailed to you to submit to your insurance company for reimbursement.
