Provide evidence that a student has enlisted in a branch of the U.S. Armed Forces; or Participate in an approved JROTC program

For students interested in a career pathway that includes serving in a branch of the armed forces, the Military Enlistment Seal is an option to satisfy components of Ohio's graduation requirements. To earn Ohio's Military Enlistment Seal, students must complete one of the following: 1. Show evidence of enlistment in a branch of the armed services; or 2. Participate in a JROTC program. The following sections outline the criteria for satisfying the requirements listed above.

To show evidence of enlistment, a student will: • Provide to the district or school a signed copy of the Department of Defense Form Enlistment/Reenlistment (DD Form 4) enlistment contract. After taking and achieving the required score on the ASVAB and completing the oath of enlistment into the Delayed Training Program, each recruit signs and is provided a copy of his or her Department Defense Form Enlistment/Reenlistment (DD Form 4) enlistment contract. This is same for all branch of services. Students must submit this documentation to demonstrate evidence of enlistment.
